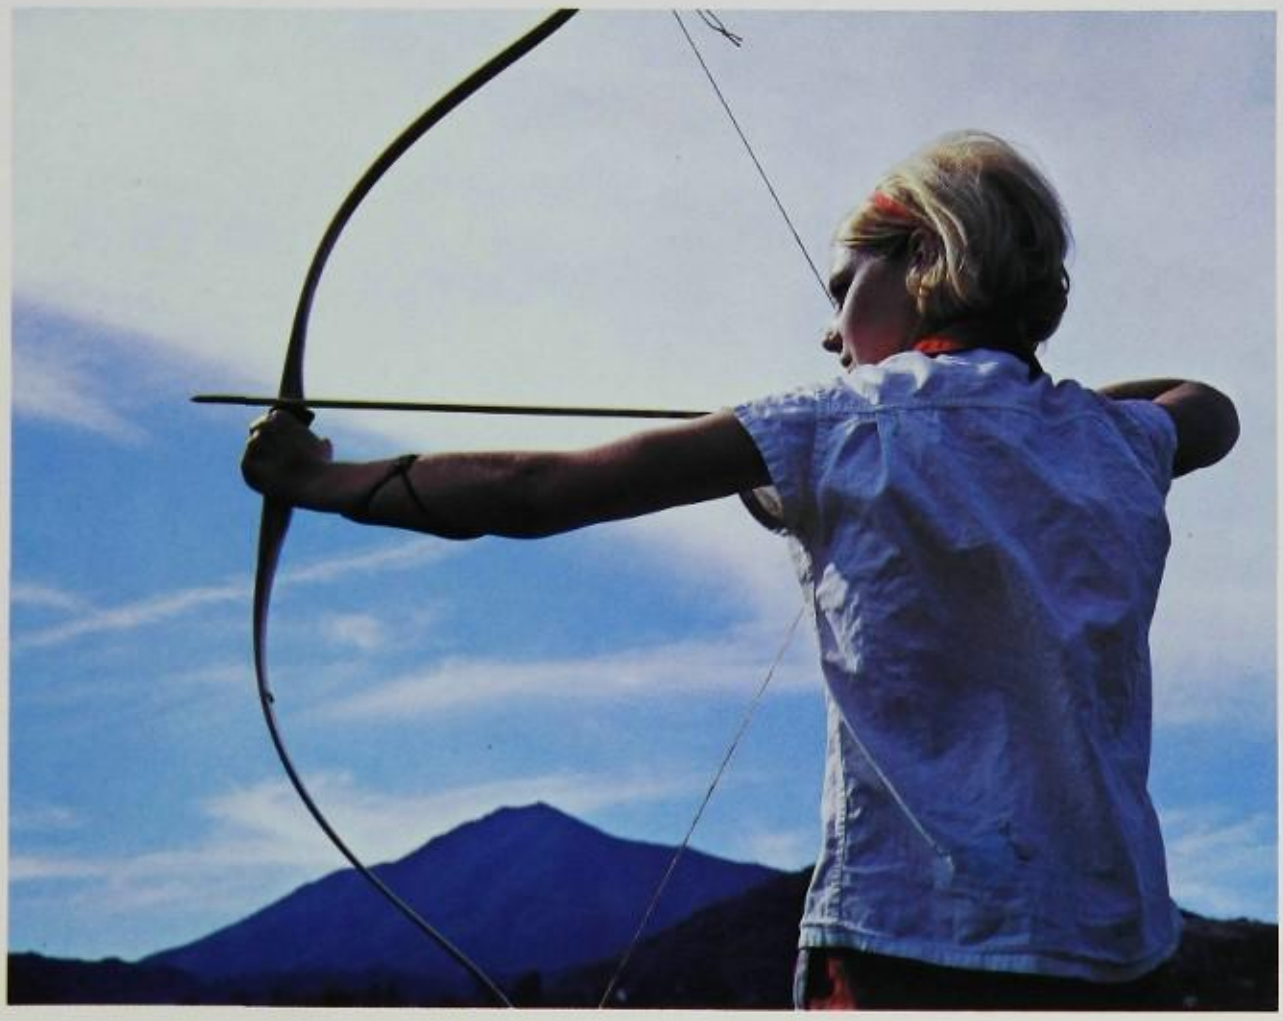
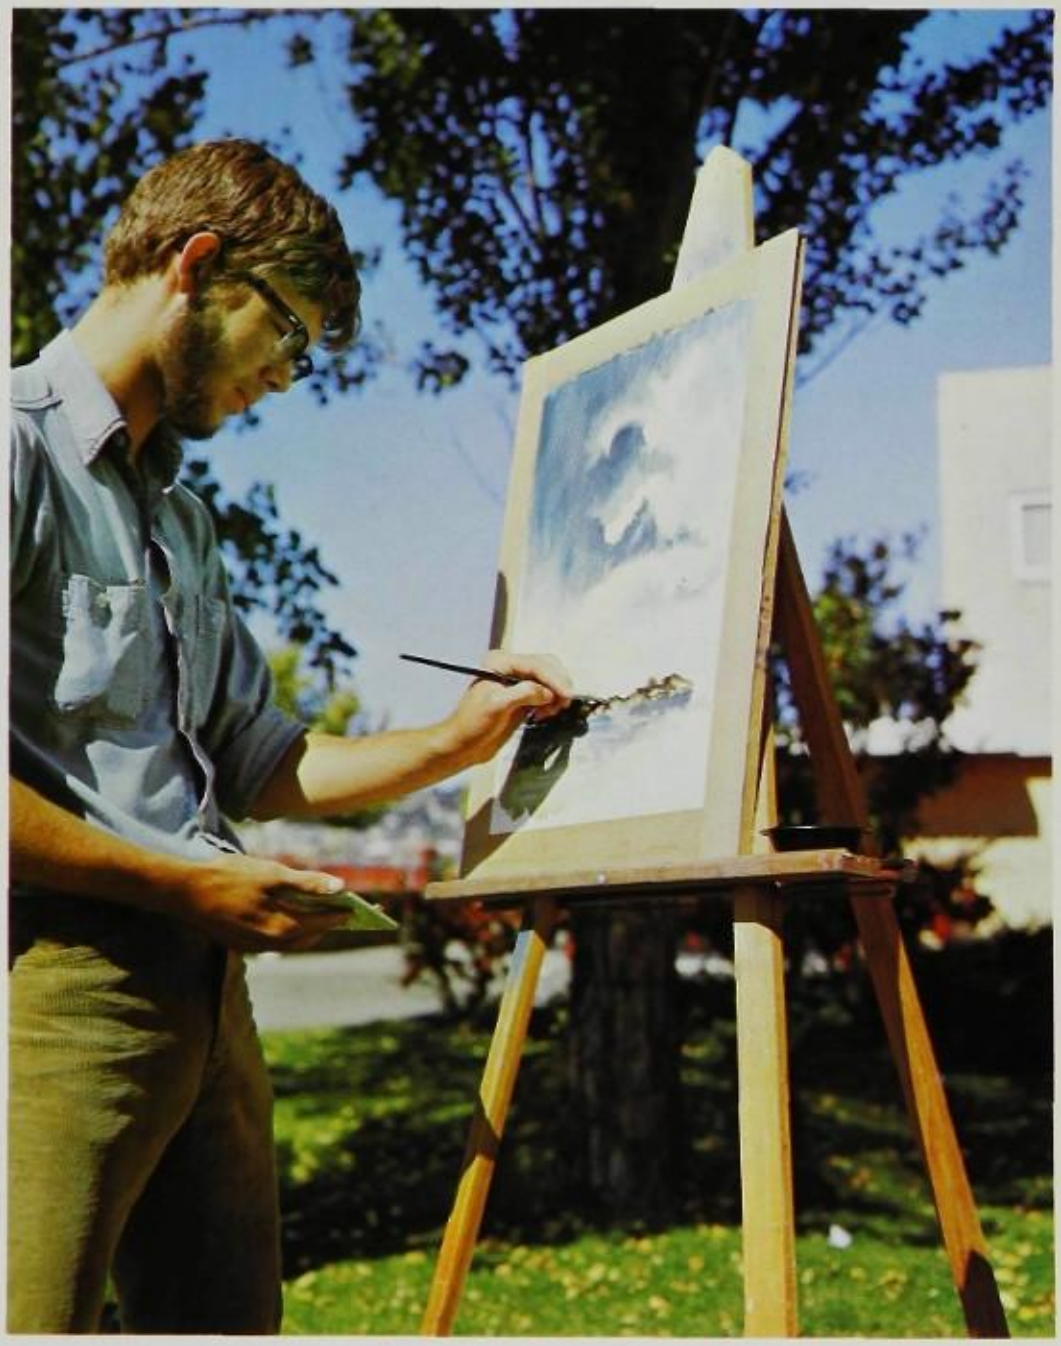
REDWOOD HIGH SCHOOL
1958 - 1969

The duty of the elders is to teach
the young to use what nature gives
Weighing proven truths against their whims
enabling them to discover much.

Young forms must one day lead the way
Now molded by one with patient skill
Showing strength in every move
Tendons straining at their will.





As taught by masters of their art
we boldly state our point of view
With wood and glue and pots of paint,
is this our image we create?

FALL

Lesley Collins, Cathy Connor, Loretta Hennessy, Pam Eldred, Linda Walsh, Judy Underwood, Mary Williams.

Redwoodites returned this year with a Giant amount of spirit, yelling and cheering their hardest at each and every game. The packed rooter buses and exciting car parades helped to bring the members of the cheering section to every game.

Our six-pack of yell leaders and seven song girls helped to keep the spirit rolling and make the rallies worth while. The selling of "Giant Power" buttons, dinners, and mass poster painting sessions were all part of our spirit leader's many activities.

The idea of class time rallies was reborn during Homecoming Week. A Redwood version of "Laugh In" with corny jokes and flying cream pies, Mr. Spirit, and a spectacular novelty by the song girls made it the best rally ever.

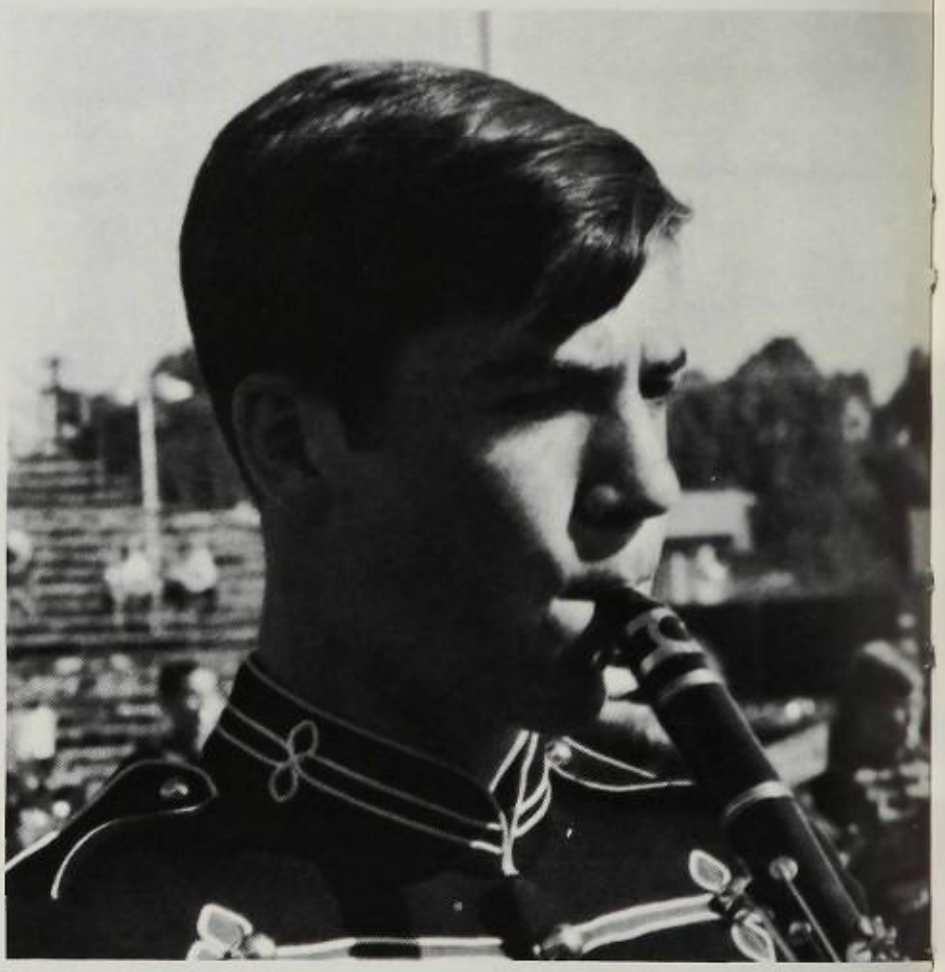
MAJORETTES AND BAND ENTERTAIN AT HALF-TIME

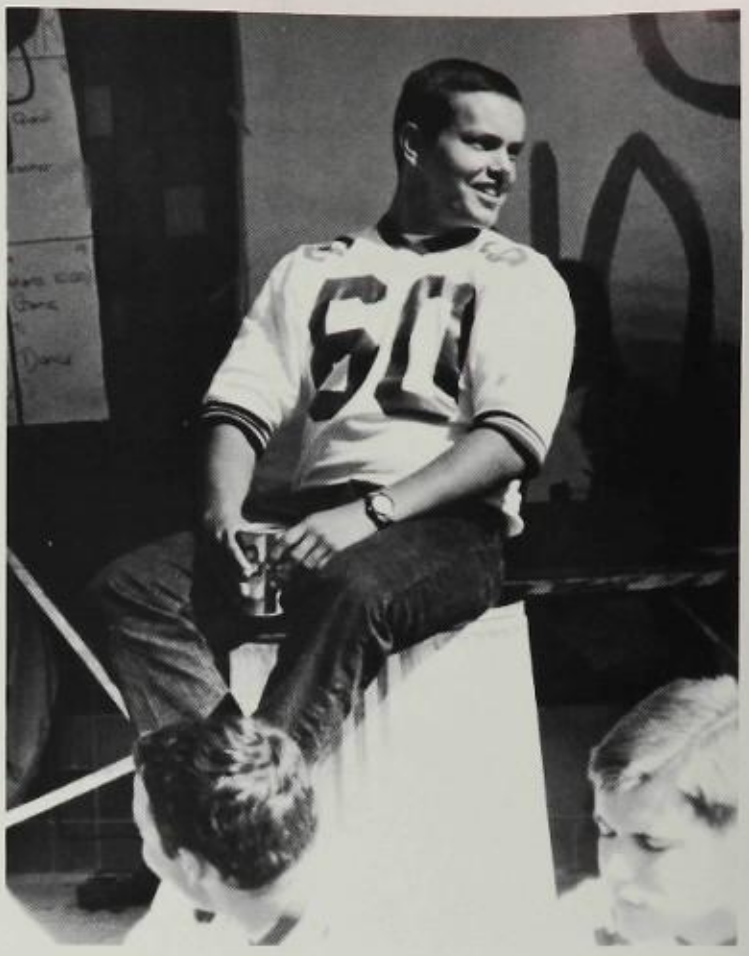


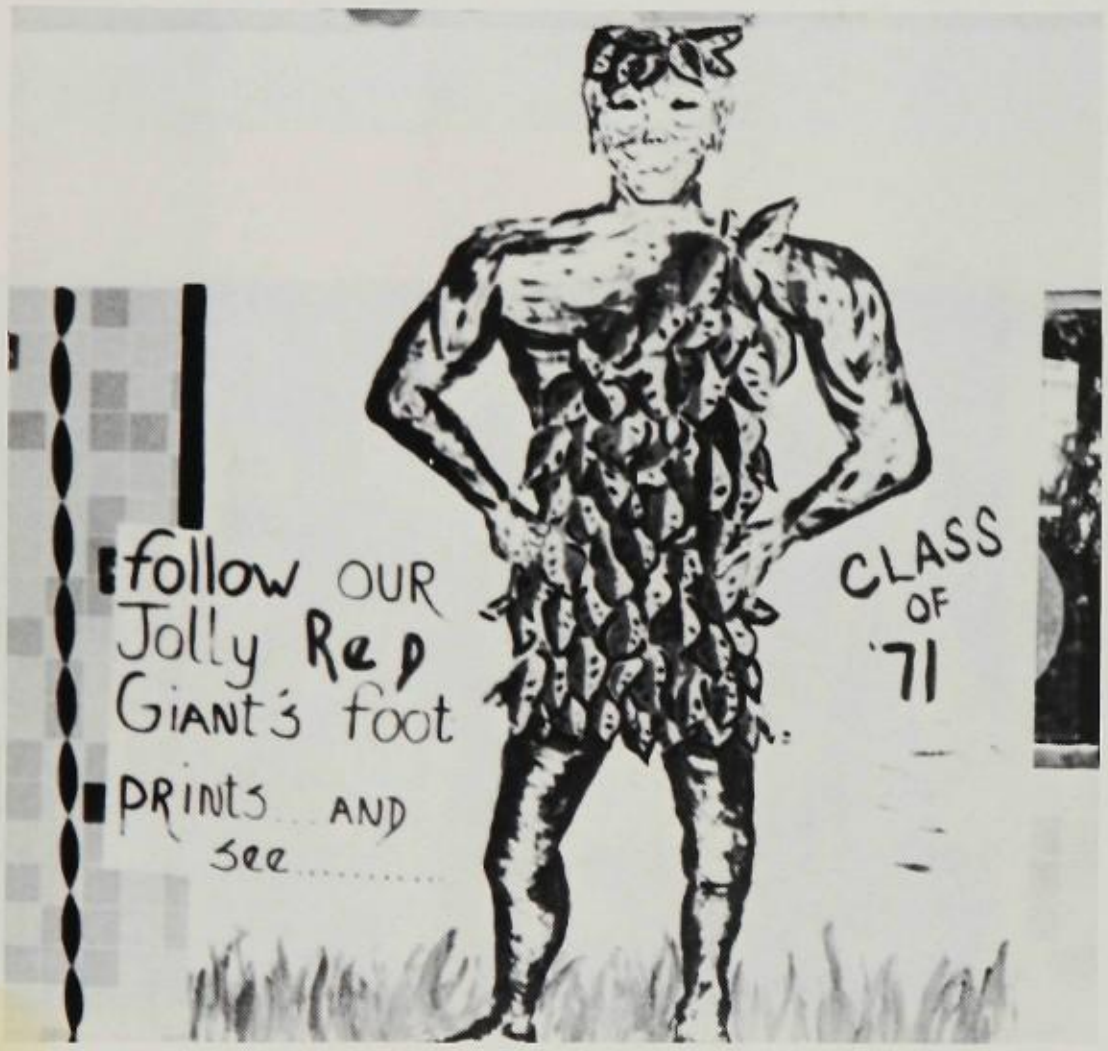
Due to this year's seventh period, the Redwood High School Marching Band met at 7:00 A.M. on Tuesdays thru Fridays for practice on the field. In addition to providing music for all the football games, the forty piece band also performed for the numerous rallies. During the spring the band attended the annual Picnic Day at University of California at Davis.

Leslie Connarn spins her baton in time to the music.

The flagbearers march with the band in formation.

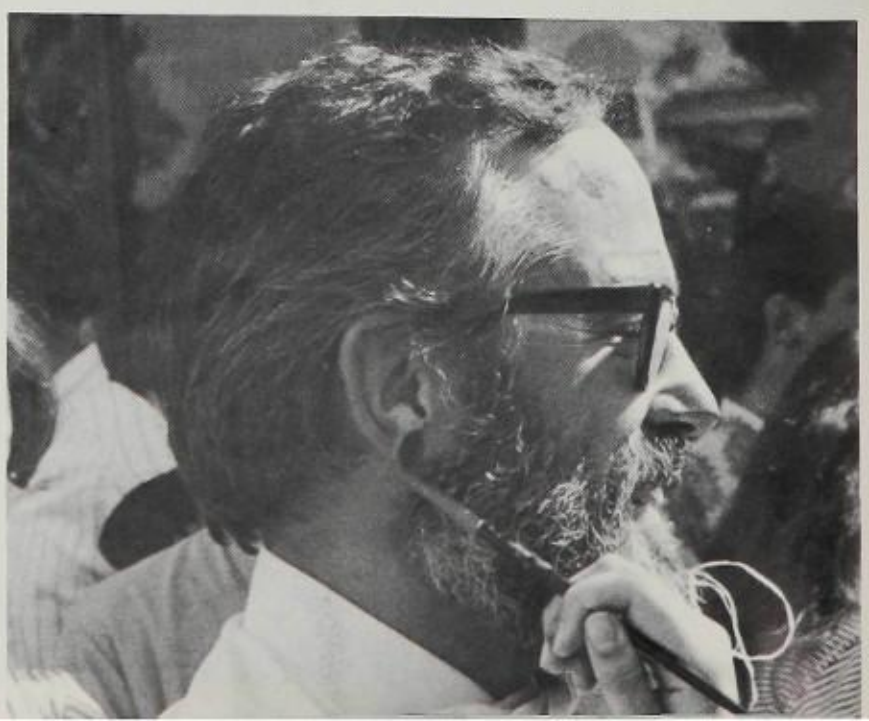
Monday slaves labored for their masters.



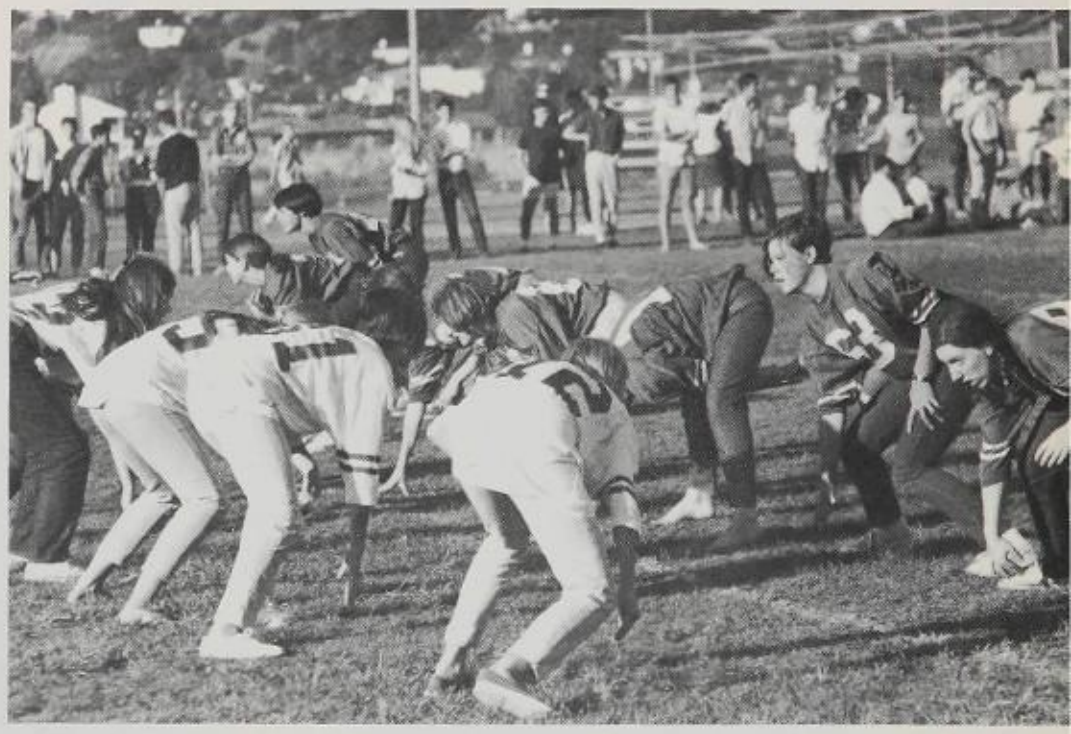


Cartoon characters came to life while teachers got the brush.

The Jolly Red Giant and seven Charlie Chaplins came to Redwood Tuesday.



Thursday the Juniors triumphed again in the annual Powder Puff game.



A fantastic rally and the longest car parade ever known made Redwood spirit come alive.

Princess Carol Hoffman and escort John Woodhull

Princess Pam Eldred and escort Stocky Spooner

The 1968 Homecoming Queen Susie Lachtman and escort Lou Larsen.

Princess Jenny Kersnar and escort John Werner.

HOMECOMING

After a week of preparation the big day finally came. The first signs of activity were J.V. song and yell leaders selling donuts and hot chocolate to early car decorators.

And then came the biggest car parade ever known. Traces of red and gray crepe paper can still be found throughout Corte Madera, Larkspur, and Kentfield.

The beautiful float and princesses climaxed the half time activities, while the band and majorettes presented "A Kind of a Hush", and the famous Redwood cheering section showed their skill at card stunts.

Although the team lost, Redwood spirit was victorious and the Giant's Ball that night was a happy occasion for all.

The main issue the Board had to face this year was that of the Bond. Once again it failed and the overcrowding problem in the Tam district became even greater.

The Board has many functions. These include the appropriation of all district funds and making all decisions which involve the three schools in the district.

The board members receive no compensation for their services other than the honor of being chosen to serve their community. The problem of District Unification continues to face the board.

This years District Administration was composed of Mrs. Gloria Melbostad, Chairman of the Board, Mrs. Bette Wallace, clerk, David Ring, Frank Miller, William B. Lewis and Chester Carlisle, Superintendent of Schools.

ADMINISTRATION

Mr. Nick Gennaro
Dean of Evening and Summer Schools

This year the administration, headed by principal Donald Kreps, continued to show its "faith in the capacity of the students", by working for an open campus. Our administration is considered to "pave the way" for other schools in such things as optional dress and open campus. Although we may not receive these privileges as soon as we would like, in the long run we do.

The members of the administration were the same as last year. Again, the deans followed their policy of individualized disipline rather than a set punishment for every rule that is broken.

As before, Mr. Gennarro was the principal of both the Summer School and the Evening Adult Education.

OFFICE STAFF

The library, attendance office, and counseling offices play an important role in the functioning of the school. It is the responsibility of the many hard working people who work in these offices to handle all of the mail, information and office work which is done at Redwood.

With over 11,000 books in the library, the library staff has the task of buying, selling and issuing all books. Also, the many magazines which are at Redwood for the students use, keeping the fine literary standards of the library, and fulfill the needs of the students.

The attendance office audits all records for the state, and verifies all absentees and doctor's excuses.

The counseling office has done a fine job of keeping the student's records in order in the past, and will, no doubt, remain doing so in the future.

COUNSELORS

Counseling is the process by which an experienced and trained person assists a second person, the student, to understand himself and his potentialities, make appropriate adjustment and decisions in light of this understanding, accept the responsibility for this choice, and to follow a course of action in harmony with his choice.

A new member to the staff this year was Mr. Gary Holbrook, he has taken the place of Mrs. Nelson who was on sabbatical this year. Mr. Holbrook came to Redwood from San Mateo where he was a counselor for two years. He will remain at Redwood as a counselor next year when Mrs. Nelson returns. Mr. Jim O'Connor also joined the staff.

Mr. Charles Greenly served as head counselor again this year.

This year several new ideas were introduced into different areas of the history department.

Mr. Ray Kemper, Department Chairman, and four other instructors including Mr. Charles Wray, Mr. Constantino Lavezzo, Mr. Ray Jacques, and Mr. John Thompson worked on a grant which would help to develope new curriculum in government.

In other areas, Independent Study was conducted, involving assignments from several teachers. The students were under the direction of Mr. Steve Baker.

Changes also occured in classroom structure. This was shown in rooms 207 and 209 where the wall between them was torn out to accommodate large group instruction. A portable wall was used to seperate the two rooms.

One new teacher was added to the department this year, Mr. Steve Holman, who taught World History. Miss Pat Pendergast, also a World History teacher, left the department at the semester.

The Redwood High School Library offers more to the students than just 15,000 books, 120 different magazines and various other media. One part has been reserved as a Social Studies resource center where students can get help from a Social Studies teacher. They can watch television or privately view movies or filmstrips, and listen to FM radio.

The library also offers space for faculty offices and a resource area. The duplicating machine has been a great help to the students, and with typewriters, records and tapes, the students are well equipped for all methods of studying. These assets help all the students and make the Redwood library one of the finest in the county.

This year, three teachers were added to the English department: Mrs. Maria Van Buskirk, Mr. Russ Hill and Mr. Charles Feeney. Mrs. Van Buskirk graduated from San Francisco State College and then was an observer and student teacher at Redwood. Mr. Feeney graduated from Los Angeles State College, taught for two years in Southern California and then moved to Marin County. Mr. Hill has written several books including a series of books and tapes titled "Spectrum" which are intended to encourage students to use their senses when they write.

As the LOG went to press, the English department had tentative plans to initiate an entirely elective program in English for Sophomores, Juniors and Seniors. This program will allow students to choose activities they most need and enjoy in English.

BUSINESS

The department had another successful year under the leadership of chairman Mr. Wallace McDonald.

Two teachers were added to the staff this year. Mr. J.D. Nichols was hired to replace Mr. Arthur Wigell the first semester, and Mrs. Eileen Hawkes the second semester. This fall he will be a regular member on the Fine Arts staff. Also aiding the department by teaching art in the morning was Mr. Robert Flynn from Industrial Arts.

The Drama department performed "Night Must Fall", as their annual fall play, under the direction and guidance of Mr Joe Wadlington.

The choir, directed by Mr. J.D. Nichols, sang various selections from the "Messiah" for the Christmas show.

Miss Orendorff again taught the ever popular photography classes. They are responsible for the pictures featured in the Log, Bark, and High Times.

This year there were two new classes added to the business department.

Consumer Economics taught by Mr. Stuart Shepherd, a new member of the faculty, teaches the students to be more effective buyers. They have visited such places as used car lots to compare the advantages of cash and credit; and they have examined the importance of insurance and cost. The class is an attempt to teach students intelligent buying with regard to value.

Introduction to Data Processing is a one semester course taught by Mr. Broemmer which gives credit in both business and math. It is not a vocational course, but is an overview of the field of data processing. The class often visited the Marin County data processing center when they used many machines which were available to them. They also visited the I.B.M. data center in San Francisco and the Pacific Telephone data processing center.

Mr. Truman Whorton

In the fall of this school year, a new teacher, Mr. Truman Wharton, was added to the staff of the Industrial Arts Department. Mr. Wharton taught classes in Electronics and Electricity, which were added to the curriculum of this department last year.

Mr. Robert Flynn and Mr. Ron Hunt, the department head, taught the Mechanical Drawing Classes, and Mr. Hurt also taught classes in Architectural Drawing. The Graphic Art classes, which were responsible for the printing of the Bark, the school paper, and the "Mini Bark", were conducted by Mr. Rich Halper.

The Woodwork Shop classes, under the direction of Mr. Phillip Roark, were devoted to the learning and mastering the art of carpentry. Mr. Ernest Lynch taught the Metal Shop classes.

This year the Math department introduced two new courses. Mr. Broemmer taught "Introduction to Data Processing" which was a joint effort of the Math and Business departments. Because this course was in such demand, it was offered both semesters, though it was originally scheduled for fall only. "Descriptive Geometry", taught by Mr. Radloff, was also offered. This was a joint effort of the Math and Industry departments. Being such an unique course, prepared textbooks are not available and Mr. Radloff compiled his own.

Mr. Charles Kurtz was the department head again this year and there were no additions to the teaching staff.

Mr. Carl Rasmussen

Mr. Jack Sorrelle

Miss Julie Walker

The expansion of "Independent Study" in Chemistry is being offered seven periods a day and is under the direction of Mr. Lighty and Mr. Guthrie. "Independent Study" is where a student listens to class lectures and does experiments some days, while on other days he studies independently on the assigned concepts. The student then takes the test within a certain length of time and has several chances to repeat the test, if he doesn't pass the first time.

The science department offers such courses as: biology, chemistry, physiology, and physics. Mr. Woodward Johnson is the head of the science department. There are many opportunities for students to act as lab assistants.

Mr. Higgins returned this year after being on sabbatical, during which he studied and traveled. Mr. Girton was on leave of absence last year.

French, German, Spanish, Russian, and Latin were again offered by the Language Department. A staff of twelve teachers made it a very successful year. Mr. Robert Baugh returned from his sabbatical leave of absence during which he was doing extended graduate work at the University of California. Miss Agnes Goldstein who took Mr. Baugh's place last year is now a permanent teacher at Redwood. Miss Sue Baynard was elected by the department to the position of Department Chairman this past year.

Last summer a workshop was held by the Foreign Language Department to develop materials for the new course "Foundations of a Language". The course was designed for students who need help in languages before going into the regular first year. Mr. John Perrotis and Mrs. Beverly Concannon taught this course. The course was successful and will continue in the next year.

Mrs. Margaret Schaulis

The Girls' Physical Education department continued this year under the leadership of Miss Myrna Reed. Two new teachers joined the staff, Mrs. Susan Bertelsen and Miss Ruth Frank, replacing Miss Jeri Slifer and Miss Betty Blodgett.

A change made this year was that of the selected sports program. For the first time, all senior girls had a first priority in choosing the sport they wished to take while junior girls with an "A" average in P.E. had second priority and junior girls with a "B" average had third priority.

This year because of the addition of seventh period, there was no pre-period P.E. Those who wished to participate in a competitive sport were no longer required to attend P.E. early in the morning. Once again, however, athletes began practice during seventh period.

Instead of the usual way of dividing the boys, by classes, the students were grouped according to their performances on the National Physical Fitness tests. These tests are administered to all students twice during the school year. The Boys were divided into four groups A, B, C, and D. Each of these groups had a separate schedule of activity Monday through Thursday with a free day on Fridays.

This year Mr. Gary Shaw replaced Mr. Tony Bailey; and this year, Mr. Bob Troppmann was the department head.

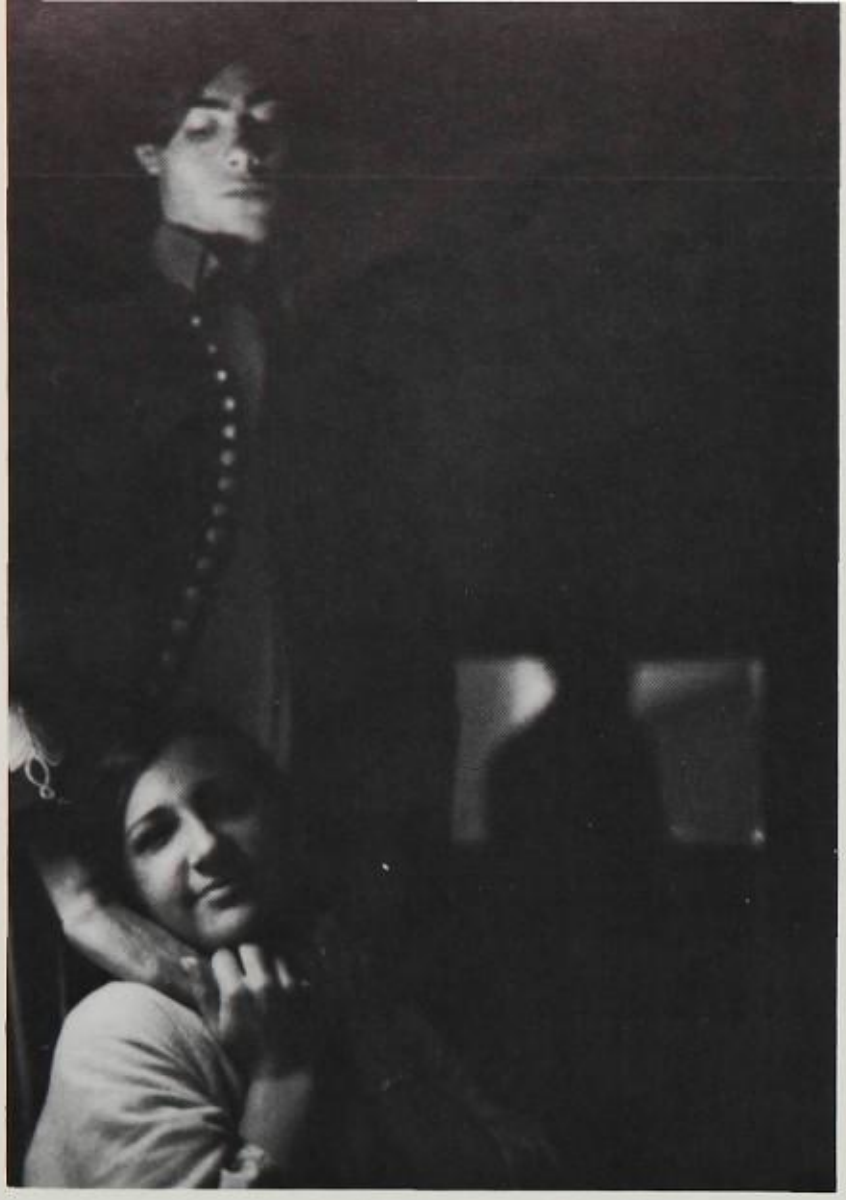
"NIGHT MUST FALL"



Dan (Todd Norris) comforts Mrs. Bramson (Pam Contos) from her fear of the murderer.

Stephanie Saunders applies her make-up.

Inspector Belsize (Mike van der Akker) questions Olivia (Julia King) about the strange men in the forest.

Stephanie Saunders and Sara Scatena practice their lines for the play.

Sara Scatena is transformed into the role of Mrs. Terrence, the housekeeper.

This year's fall play was a murder mystery, titled "Night Must Fall". It revolved around Dan, a bell-hop in a London hotel, who was added to Mrs. Bramson's household servants, after having seduced her maid. The suspense increased as the murder of a guest was traced to Dan, by Mrs. Bramson's niece. All the sets and backstage work was done by students in the drama classes.

The cast, directed by Mr. Joseph Wadlington, starred Seniors Todd Norris and Julie King, as Dan and the niece, with Junior Pam Contos as Mrs. Bramson. The other leading roles were played by Kathy Rainey, Stephanie Saunders, Mike van der Akker, Sara Scatena, James Riordan, and Bruce Wittine.

Nurse Libby (Kathy Rainey) revives Dan.

CLUBS REFLECT THE STUDENTS' USE OF THE MIND, THE BODY, THE HANDS

Mr. Sorrelle and members of the Water Ski Club make plans for a coming trip.

The Investment Club was added to Redwood's list of clubs and organizations this past year. Members met Monday and Wednesday at noon each week. The purpose of the club was to increase one's understanding of stock market operations and how current events affect prices. After studying the market the group purchased shares of their own.

Investment Club President was Kirk Grey; Vice-President, Joe Enzansperger; and Secretary-Treasurer, Bud Broomhead. The club advisor was Mr. Freeman Blake.

This year was the second year for Redwood's Archeology Club. The members went on various "digs" every weekend, including trips to an area in Tiburon where an Indian burial was found. At their meetings they discussed what they found at the last "dig", and they talked about where they were going for the next one.

The President for the second time was Liz Murray and the advisor was Mr. John Lighty.

The Water-Skiing Club, new to Redwood this year, was a great success. The club began meeting early in the year to discuss future trips and membership. The first meeting drew 68 people. To become a member the applicant must go on one of the club's trips and pass a written test to prove his ability as a skier.

Most of the trips this year were to Lake Berryessa for one day. However, weekend trips were also planned.

Water-Skiing Club officers for this year were: President, Joe Akers; Vice President, Don Wallace; and Secretary, Julie Matthews. The club advisor was Mr. Jack Sorrelle.

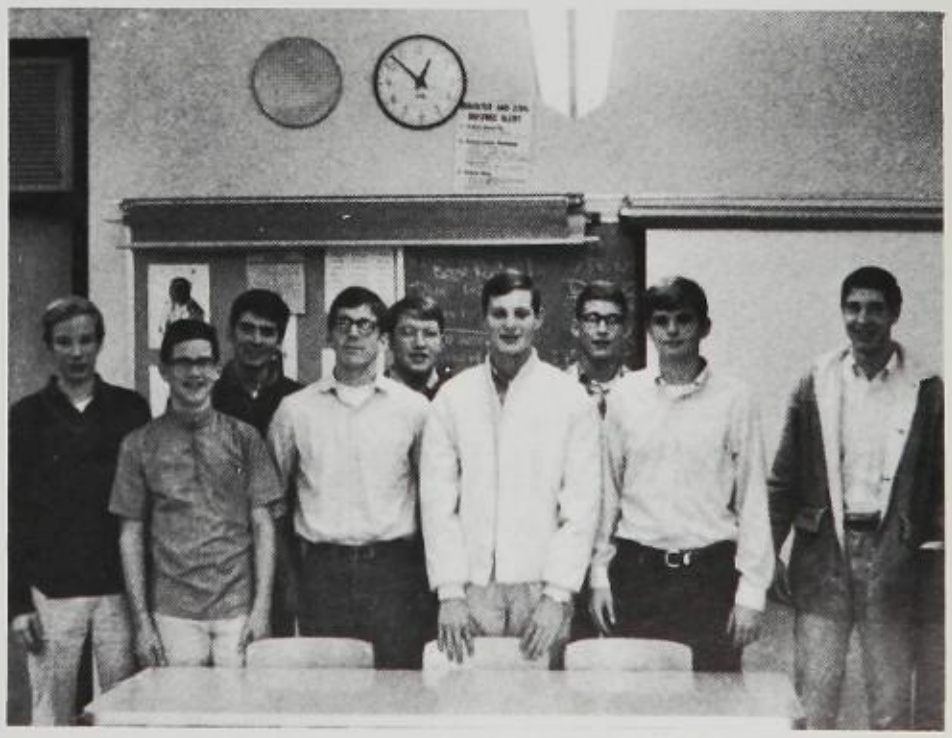
The Investment Club



Ed Lindstrom files the library cards

The library helpers this year consisted of thirty-five students who voluntarily chose to help in keeping the library in order. The students handled all the check-outs and check-ins, over-due books, and helped in returning the books to their proper places.

The audio center was new this year and there were a number of students that helped in this area. The audio center consists of three tape recorders, an FM tuner, and a record player. There are over one hundred new microphones for the students' use. This new equipment was available for student use nearly every period during the day.

Though Redwood's population grew during the last year, the Canteen Staff sufficiently met the needs of the student body.

In addition to the old reliables such as hot dogs and hamburgers, yogurt was sold for the first time this year. A larger selection of candy and sandwiches was introduced for the benefit of the students.

Canteen workers may either receive credit for the course or be paid. Mr. Tony Russo is in charge of the staff.

A busy lunch hour for the canteen workers.

Clifford Barnett takes a tuna roll from the specially heated drawer.

Ken MacDonald buys a donut during the break.

STUDENT WORK EXPERIENCE HELPS THE SCHOOL

Last year, the student body began to sell donuts. With a daily income of $22.80, it was a profitable idea to carry them again this year. The donuts were sold in the Student Office, by volunteers who offered their services on different days. There was never a lack of enthusiasm to help selling, and the popularity of the donuts was ever-increasing.

The Student Store is operated as a service to the students. Many of the items were sold at discount prices. If any profits were made they went to the Associated Student's General Fund. Last summer the store was split in half to create the new Student Finance Office. The workers in the store were enrolled in the Work Experience program.

Many students at Redwood gave one or more free periods a day to work experience. Among the jobs open in work experience were posts in the counseling and attendance offices. The students had several jobs to do. Some collected roll sheets and distributed passes, others took messages and collected passes. The students proved to be a great help to the busy secretaries.

The student store is always busy.

STUDENTS SHOW SCIENCE AND MATH CAN BE REWARDING

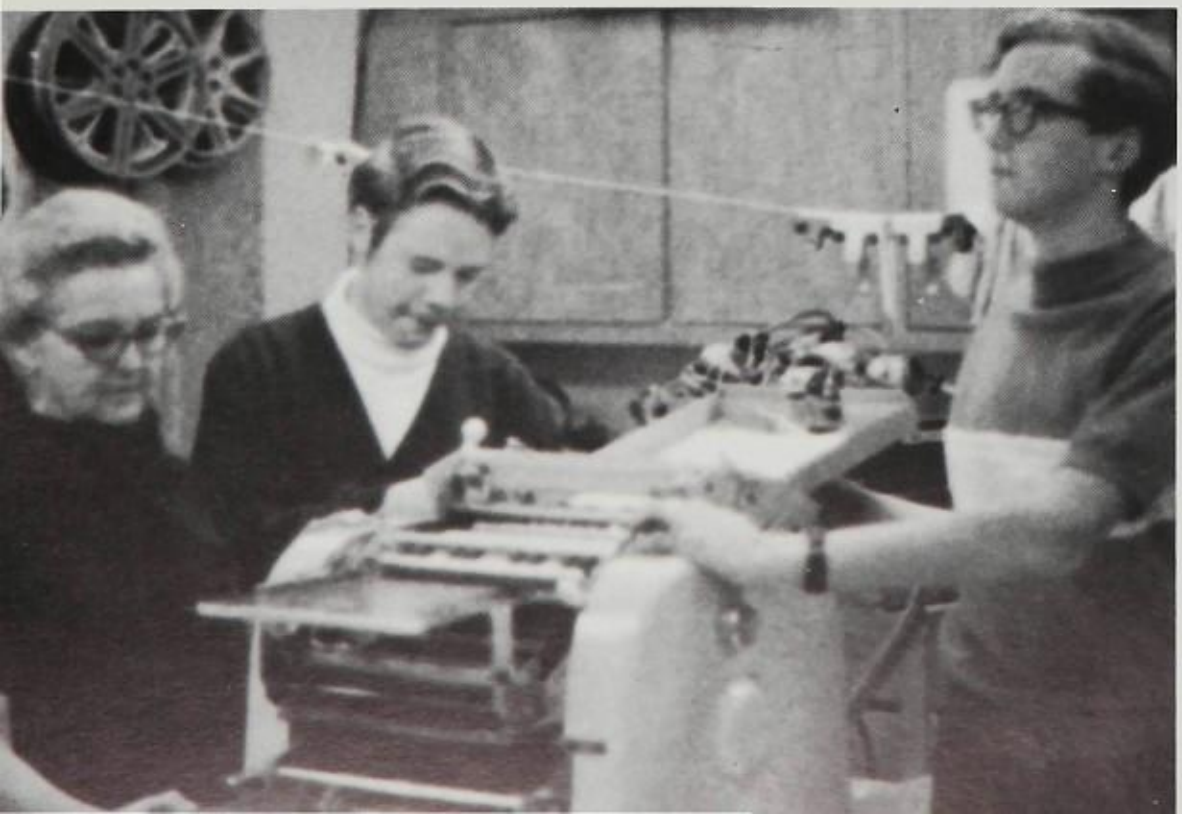
Mrs. Holck, Mike King, and Pete Vandall run the mimeograph machine.



Redwood's Math Club met Wednesday afternoon of each week. Members enjoyed various games, films, and time problems. Several potluck dinners were held during the year to which guest speakers were invited. Senior Gunnar Carlsson was President. Advisors were Mr. Lyle Fisher and Mr. William Medigovich.

The highlight of the year was the Fourth Annual Math Conference on March fifteenth. The conference was again hosted by Redwood. Anne Duhme was Math Conference Chairman. The conference consisted of two adults and several student speakers. Each student prepared his or her own speech. Students from many schools throughout the Bay Area attended to hear speakers and exchange ideas.

The audio-visual assistants this year were under the supervision of Mr. Broemmer. They were the group responsible for the upkeep and distribution of projectors, tape recorders, and all other mechanical aids used at Redwood.

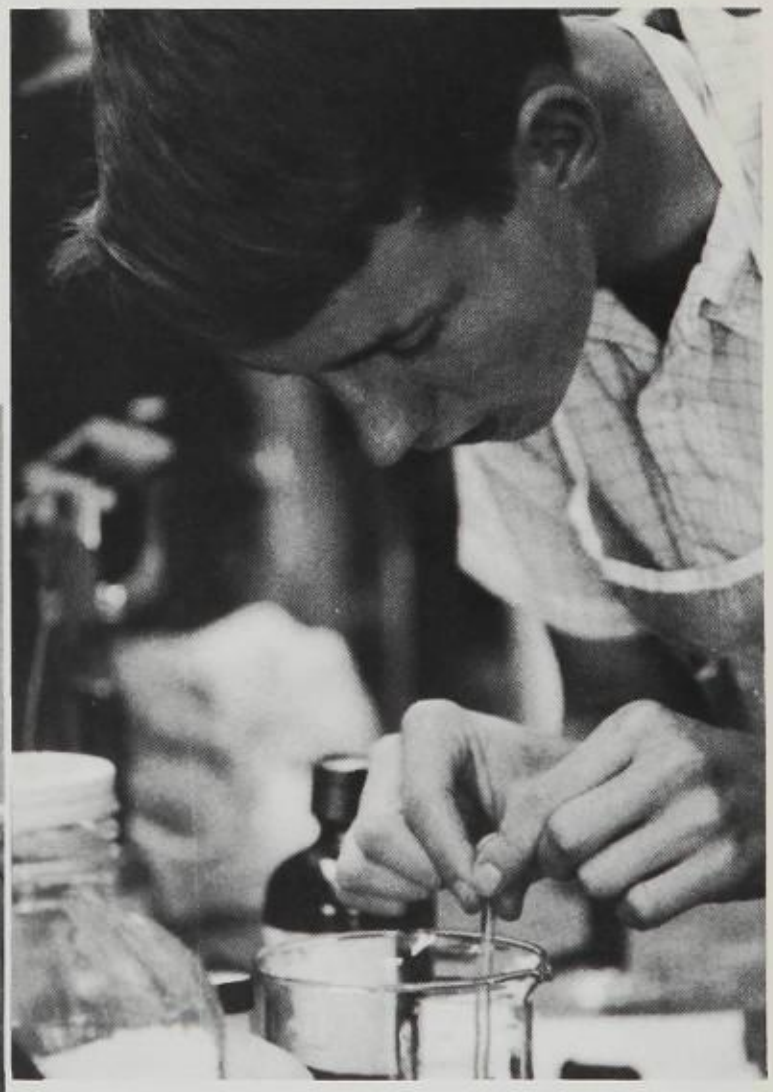
The student body is grateful to these students for their help during rallies, dances, and games. They arranged for and operated the loud speaker systems which made everything run more smoothly.

When they weren't busy with these projects, the boys studied and worked on electronic devises such as radios, hi-fi's, and televisions. They received credit for the course and if they worked after school they were paid.

A club for radio hams? Why not? That's exactly what the Amateur Radio Club's purpose was: to gain technical knowledge of the operation of radio equipment. All members of the Radio Club had to be working toward the radio operators license. The members built their own sets, and broadcasted on them. They also broadcasted from the school station WBGNVY.

Wash the test tubes! Set up the lab for an experiment! These were just two of the many tasks the lab assistants took care of. Lab assistants were used in the chemistry, biology, and physiology classes. In general they aided the instructor in correcting papers, cleaning up the lab, and assisting the students with their experiments.

Special lab equipment protects Greg Simmons from harmful fumes.



Ed Severinghaus stirs a solution for a chemistry experiment.

Paul Thoelecke advances his pawn

The Chess Club met every day during lunch-time. It was designed to be merely recreational and relaxing. There were about 25 regular members. Mr. Bob Bachelder was the club's advisor. The President of the Chess Club was Ed Severinghaus, Jeff Hewitt was Vice-President, and Nick Suntzeff was the Secretary-Treasurer.

Anyone was welcome to come to the Chess Club—no matter how little they knew about the game. There was always someone willing to teach.

Mr. Davis prepares the projector for "Fail Safe", sponsored by the Film Club

A Saturday night in November witnessed the first endeavor of the newly organized Redwood High School Film Club. Beginning with "Fail Safe", they continued to show films throughout the year. The profits went towards film equipment for the English Department. The climax of the club's activities was the Film Festival in which students and faculty competed for prizes.

The club was headed by President, Susan Pease and its advisors, Mr. Harry Davis, Miss Mary Donavan and Miss Elaine Young.

Throughout the year the Stamp Club met twice a month to trade stamps, hold stamp auctions, and to discuss stamp trends and innovations. The club also had its annual trip to WESTPEX, the Western Philatelic Exhibition, at the Jack Tar Hotel in San Francisco.

The club also held a stamp dance for the sixth year in a row where Senior Sharon Venatta was crowned "Miss First Day Cover."

DIFFERENT ACTIVITIES ENCOURAGE STUDENT PARTICIPATION

The Log staff is very grateful to Miss Martha Orendorff and her photographers for the great job of aiding in this year's production of the Log. The photographers were five or six interested students who enjoyed taking pictures. They not only took the pictures but developed, processed, enlarged, and did touch-up work as well. These few students were also responsible for the pictures used in the Bark, High Times, and for the Student News Bureau photos which were used in the Independent Journal.

Many students that belonged to the Publicity Club also belonged to the Art Club, and vice versa. Both clubs met regularly every Wednesday after school with the advisor, Mrs. Steers. The Publicity Club was responsible for about 2/3 of the art work used to advertise coming events. Sue Foley became President of the club shortly after the start of the year when Colleen Fitzhenry was forced to resign due to illness. One successful project was a "paint-in" supplying children with paint and paper at 10¢ a child at Corte Madera Park. The Art Club attended art shows and toured museums. They also expanded to the dramatic arts in the viewing of "Romeo and Juliet".

The Art and Publicity Club members make posters to announce a coming basketball game.

BARK

The publication of the Redwood Bark was under the direction of Miss Glenda Gentry again this year. Debbie Glassman and Phil Culver were the editors of the Mini Bark, big Bark, and the Parent's Bark editions. The Student News Bureau was headed by Dave Gilbert and Joanne Gabbs. Mary Werthimer was the arts editor. This was a new aspect of the Bark and Mary tried to exercise her new found authority by including more poetry, sketches and essays in the traditional Bark. Kam Miller, April Motel and Sue Torrey, were Redwood's writers for the "High Times" which has just completed its third year of publication.

The Student Body made an additional alottment of $450 this year in order to put out a "Mini Bark" between the Regular Bark editions. This year, in all, there were twenty issues of the Bark. The ultimate goal is to print a weekly Bark.

In May the Tam District journalism banquet was held and awards were presented to the paper.

The Bark's chief objective is to promote the students interest in reading their school paper as well as to entertain and inform.

This year the Log staff, which was made up of 30 students, was twice as large as ever before. A central group of 7 was placed in charge of various aspects of the yearbook compilation. In charge of seniors was Sue Little; classes, Jan Leonard; clubs and activities, Cathy Connor and Patti Posner; art, Laurie Berg; ads, Debbie Dowd; and sales Jeannette Kralka.

The theme carried through this years book was of creativity through the mind, body, and hands. Double division pages picturing multitudes of feet and hands were created by Steve MacFarlane and the poem expressing the theme was written by Susan Pease.

The cover this year was done differently with the ortho processing of a crowd picture. The three double division pages and 3 sports pages also used the ortho process. Club pictures were taken in action again this year. Emphasis was placed on covering more activities and many more candid photos were included.

We, the Log staff were very sorry to see our dedicated advisor for the past eleven years, Miss Pendergast leave at the end of the first semester this year. We wish to express our thanks to her for all of her hard work.

The Republican Club discusses election results.

SELF EXPRESSION AND WORLD INTEREST ARE A PART OF THESE CLUBS

Forensics members practice their speeches.

Forensics was an organization of volunteer students interested in making speeches and in the techniques of better speech habits. The club provided an outlet for those students wishing to compete with individual students from other schools around the Bay Area. The meets were held approximately once a month. The meetings included presentations in prepared speech, impromptu speech, and in dramatic or humorous presentations. The advisor of Forensics was Miss Else-Britt Jonsson.

The Republican Club had a very exciting and active year. Their activities included attending receptions and the annual Party-People's Dinner. They held bumper-sticker rushes for the Nixon campaign at different shopping centers, and did paper work at the Republican headquarters. On election night they went door to door urging registered Republicans to get out and vote. The members were very happy to see their work end in a successful election. During the second semester, they did paper work at Headquarters. The officers for this year were Dave Slocum, President; Laura Brandt, Vice-President; Andrea Schultz, Secretary; and Peggy Chater, elected to relieve Dave Slocum the second semester as President. Mr. Wray was the advisor.

STUDENT TEACHERS

Puzzles and games make learning fun.

Suzanne DeWilde supervises a future Rembrandt at work.

"Share and Tell" time is an important event of the day.

Student teaching was one of the most popular elevtives offered on the Junior and Senior level. There were 74 student teachers from Redwood. In the Fall most of these were Seniors but a few Juniors participated. There were 45 students working in regular classes of instruction in six surrounding schools, and 29 in special education classes working with children who are mentally, physically, or emotionally retarded. Eight Redwoodites taught at K.M.R., Kindergarten Mentally Retarded, in Terra Linda, and one crippled girl worked with crippled children at Marindale School in San Rafael. The student teachers received a grade on the basis of how they performed the duties specified for them by their master teachers, earning 5 credits for each semester, as is the case in all other classes.

All of the students in the program did not intend to become teachers. However, this was not a prerequisite. Working with children is a valuable experience for all students. It also proved, at least to these students, that the old addage, "Those who can do, those who can't teach . . . " is false.

The different activities of the Homemaking Club.

GIRLS BENEFIT FROM HELPING OTHERS

The Home Economics Club is designed for girls who are interested in the field of home economics. This year membership was open to any girl at Redwood instead of requiring members to take home-making courses.

Each month the club held a potluck dinner at a different girl's home at which time the meetings were held. Bake sales were also held to raise funds for the big "year-end project."

The club members were honored by being given the privilege of serving as pages at the American Dietetic Association Convention in San Francisco last October.

Fall officers were Suzanne Lucia, President; Ruth Smith, Vice-President; Jan Offenbach, Secretary; and Debbie Leininger, Treasurer. The club was advised by home-making teachers Mrs. Sue Chelini and Mrs. Judy Morris.

The Girl's Service Club provided their volunteer services for many community functions. This year they worked for the Heart Society, United Cerebral Palsy, and have gone around door to door telling people about the bond issue. They held many fund raising activities in order to sponsor an American Indian child. Some of their activities were as follows: a Bundle Day—held in January to collect clothes for Appalachian children; a Conventional Bake Sale—where they sold cookies, cakes, and goodies to raise money for club "Teas"; charging admission to hear a band in the Little Theater; and designing a display shelf in the school.

The Girl's Service Club has been held every year since 1960. Mrs. Neumier was the advisor and Miss Davidson the co-advisor. The officers were Carol Frank, President; Rachel Shaw, Vice-President; and Karen Brown, Secretary.

The Model Airplane Club

MANY INTERESTS

A hiker with all of his equipment.

Lee Fishel leads the discussion at an I.F.O. meeting.

The I.F.O., Individual Freedoms Organization, was active again this year in the publication of their periodical, *Common Sense*. The purpose of the club was to provide an outlet, through which *Common Sense* was available. The newspaper was for students wishing to express their views on various issues. Anyone who submitted articles to the editor, which were valid and legitimate opinions, had their articles printed. In addition to *Common Sense*, the I.F.O. also sponsored speakers who came to Redwood and spoke to interested students.

The President of the I.F.O. this year was Glenn Wright, the Editor of *Common Sense* was Lee Fishel and the advisor of the club was Mr. Purcell.

Redwood's Model Airplane Club met during lunch every 2nd and 4th Friday. The club consisted of 13 members who spent their meetings not only building models, but also discussing engines and common materials. This year's President was Tim Tobin and the advisor was Mr. Robert Flynn.

The Hiking Club has completed its second year. It was formed for those interested in hiking, especially as a way to keep physically fit.

They started the year with elementary hikes up Mount Tamalpais to the Pan Toll Station. Further plans included places that offered the most challenge to our hikers.

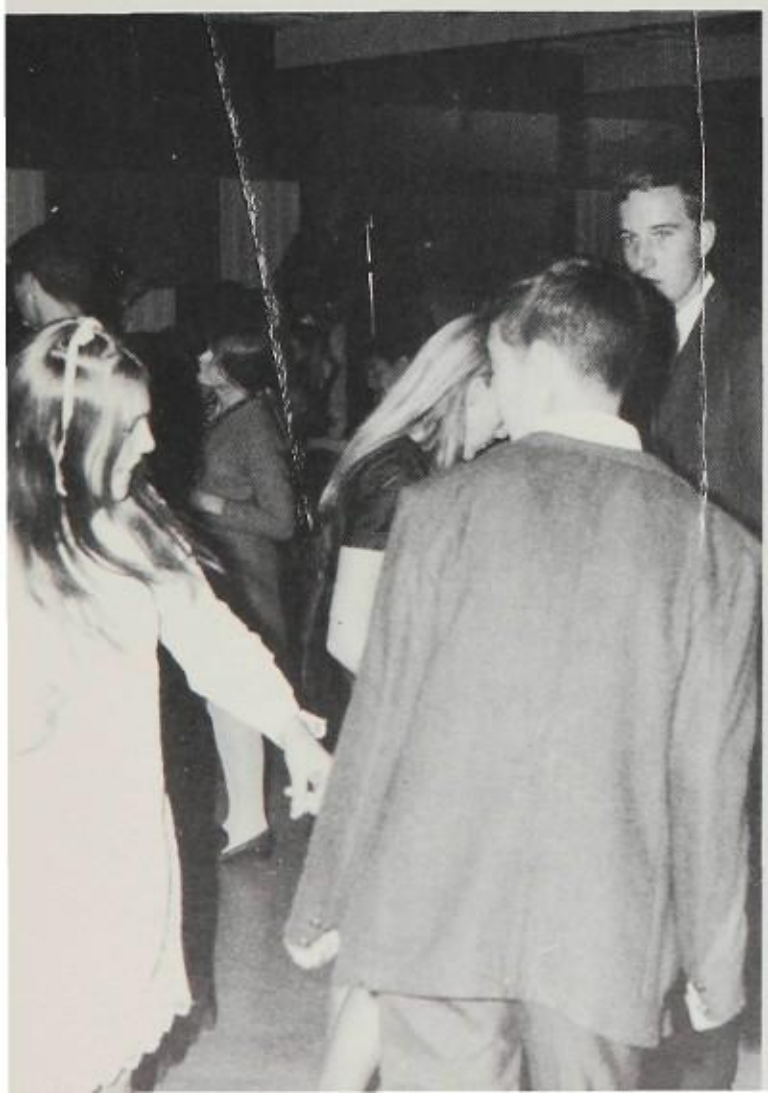
The club's advisor was Mr. Jerry Jones. It was he who made it possible for the members to hike all over Marin County.

CHRISTMAS DANCE

'T'was a while before Christmas and all through the school not a creature was heard, not even a mouse, until Early Morning Fog and Glass Thunder started "doing their thing".

A "Giantically Wonderful Christmas" centered around a "Giantic" Christmas tree and a live visit from Santa Claus. Besides getting a candy cane from Santa, the couples could have their pictures taken while sitting on Santa's lap. Also, the kids were given a chance to ask Santa for their Christmas wish.

The dance was a "Giantically Wonderful" beginning of Christmas for all.



The Orchestra provides background music for the Choir.

Nan Hantzche

MESSIAH

The Messiah, Redwood's annual program of Christmas music was presented on Dec. 19th. It began with the choir and orchestra in "Gloria" by Mozart. The program included both the Redwood Orchestra and the Chamber Orchestra.

The second part of the program was presented by the beginning chorus followed by three soloists: Lynn Phillips, Linda Smith, and Layne Tucker.

The A Cappella Choir was next with songs by Bach and Mozart.

The grand finale was the Hallelujah chorus from Handel's "Messiah", performed by the orchestra and choirs combined.

The program was conducted by Mr. Sidney Gordon and Mr. J. D. Nichols.

Mr. Nichols directs the Choir.

GIANT FOOTBALL -- A MATTER OF INCHES

A championship for the gallant Redwood Giants fell short by a few inches and a couple of minutes. The Giants ended their season on a high note by defeating previously undefeated Terra Linda 25-10 in what was described by Coach Bob Troppmann as "the team's best effort of the season." The season at a glance:

REDWOOD 18 - PALO ALTO 6

The Giants opened their season at the College of Marin Field with a win. Touchdowns by George Adams, Rob Dorinson and a fumble recovery by huge tackle Gary Kasprzak who ran 61 yards for the score accounted for the home team's scores.

REDWOOD 14 - RIORDAN 47

Redwood ran into a couple of guys named Braboy and Lamar in a foggy, misty night at Kezar Stadium in San Francisco. George Adams and Rebel Minutoli accounted for the Giant's scores. All league fullback Pete Richter sat out the game with a broken rib, as did Gary Kasprzak with a knee injury.

REDWOOD 20 - CRESTMOOR 6

The Giants came to life in the second half to overcome a stubborn Crestmoor team from San Mateo. George Adams had his best day scoring once, and then had a 71 yard touchdown called back because of a penalty. Pete Carroll and Terry Cox were on the receiving end of Jim Peters' passes for the other touchdowns. Again the injury plagued Giants were without the services of Rob Dorinson, Pete Richter and Gary Kasprzak.

REDWOOD 12 - NOVATO 14

The league season opened at Novato with the Giants losing by two points. It was one of the Giants best games with two plays making the difference in the game. A 66 yard run by the Novato fullback, Zechlin and a 77 yard pass from Russ Dillion to Pete Weekley. Otherwise, the Giants held the Hornets to 26 yards on the ground. Jim Peters passed to George Adams for one score and Pete Richter in his first game bulled for the other. The game was marred by an injury to defensive halfback Charles Flynn who suffered a broken neck.

At right versatile Pete Carroll showed his talent at Quarterback against Tam's completing 63% of his passes.

REDWOOD 18 - TAMALPIAS 25

It's hard to believe, but the Giants were leading the Indians 19-18 with 1:25 remaining on the clock. It was a tough loss for the home team as they played outstanding ball. Pete Carroll was on target to Jeff Konopisos for one touchdown and Pete Richter scored the other two. Jim Peters and Rich Simpson sat out the game with injuries.

REDWOOD 25 - DRAKE 37

Another heartbreaker for the Giants. With two minutes left on the clock, the Giants led 25-24. A long bomb by the Pirates accounted for the go ahead touchdown and then while the Giants were playing catch up ball, the Pirates intercepted and scored with 9 seconds remaining. There was not a dry eye in the locker room and Coach Troppmann reminded the boys that there were three games left and that they could salvage the season. Scoring for the Giants were - Konopisos, pass from Peters, Richter, Carroll and Dorinson.

REDWOOD 25 - MITTY 25

The Giants "were not up" for the Mitty game and settled for a 25-25 tie. Jim Peters passed to Jeff Konopisos on the opening play for a touchdown and then another quick score by Pete Richter put the Giants out in front but the San Jose School had a three touchdown 3rd quarter to tie the game. Peter Carroll and Rob Dorinson came back to score and the game ended a tie.

REDWOOD 25 - SAN RAFAEL 7

The Giants played one of their best games of the season completely dominating the Bulldogs. Pete Carroll was named the Prep of the Week by the Independent Journal for his outstanding play. Pete Richter scored as did Rob Dorinson on a pass from Jim Peters. The team took the game ball to Charles Flynn at Marin General Hospital.

REDWOOD 25 - TERRA LINDA 10

The Giants restored pride in the Redwood football program and defeated the previously undefeated Terra Linda Trojans who had already won the Championship. This set the stage for the Novato-Drake game which Novato won 14-13 to share the MCAL crown with Terra Linda. Pete Richter had his best day scoring three touchdowns and making 140 yards rushing on 27 carries. Pete Carroll accounted for the other touchdown. It was a proud day for the Redwood team.

HIGHLIGHTS OF THE SEASON

Named to the All League team were Pete Richter, Doug Best, Phil Simon and defensive tackle Gary Kasprzak. Honorable mentions went to Jim Peters and Henry Diaz.

Jim Peters and Henry Diaz were named co-captains by their teammates and Henry Diaz was the senior scholastic award winner.

Doing an outstanding job as managers were Rich Mills and Bill Minnes. Kris Kristenson who has been the teams statistician for the past three years will be sorely missed due to graduation.

Jim Peters broke three records in the passing department.

Varsity coaches assisting Coach Troppmann were Coach Phil Roark, Coach Wes Price and Coach Al Endriss.

Rick Puccinelli, Hal Pritchard and Bruce Jenkinson hammer Tam's Don Mackin.

Quarterback Jim Peters scrambles from a Palo Alto pursuer.

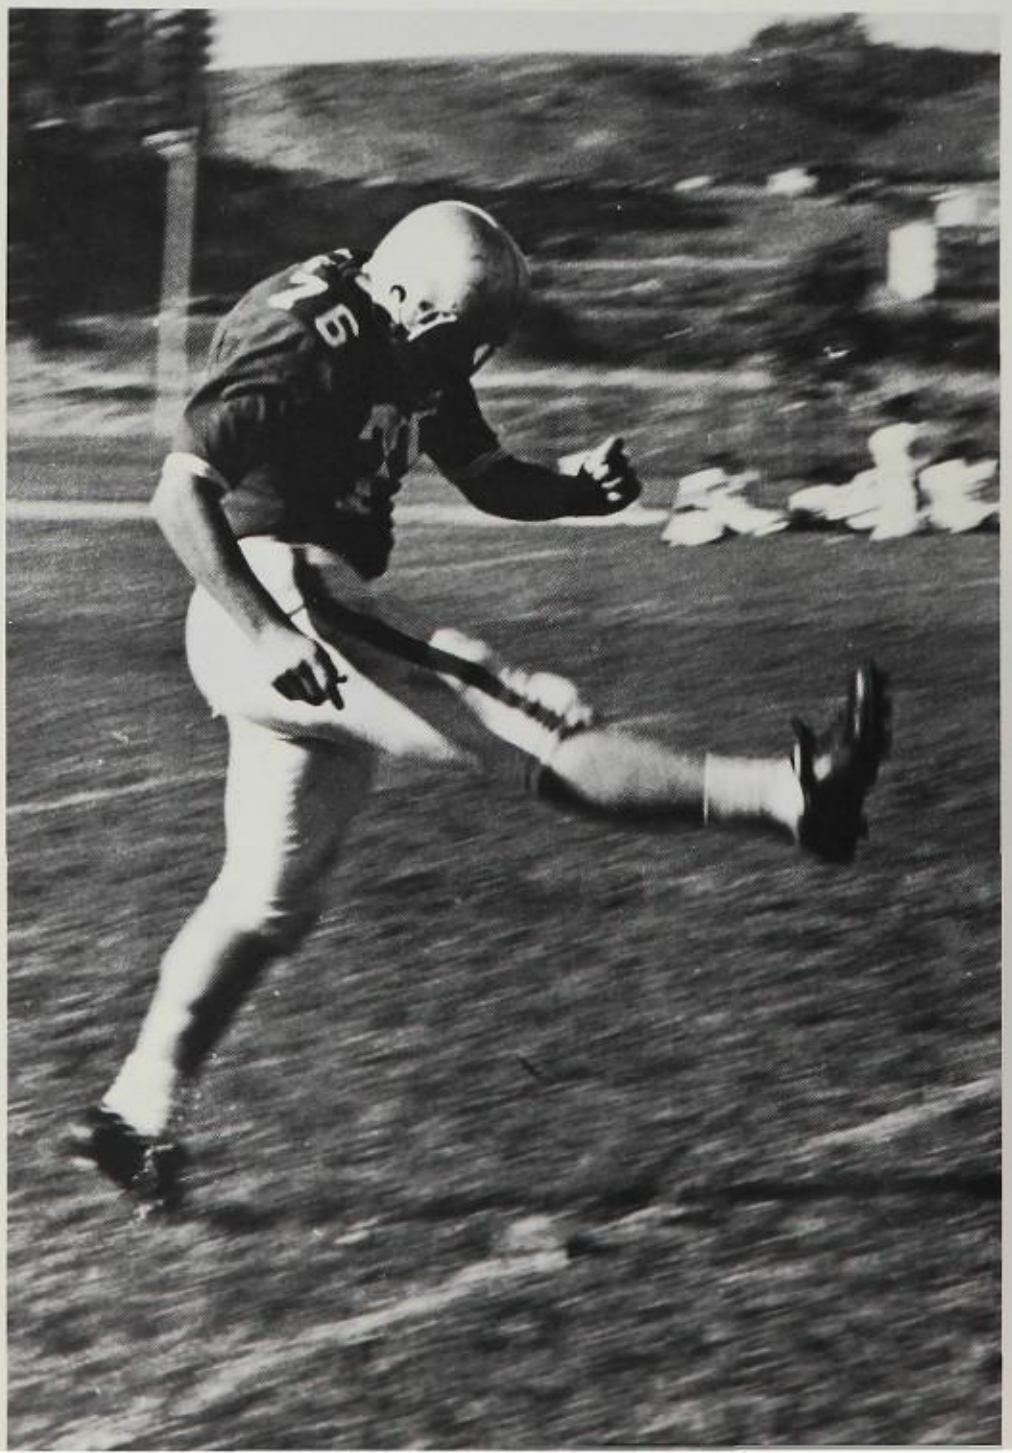
The Redwood J.V.'s battled to a 4-4 season mark. Spearheaded on offense by the running of Andy Anixter and the blocks of a fine offensive line.

In the end defense was the name of the game. The Giants intercepted 15 passes while only allowing 4 touchdowns to be scored in the last six games. Defensive standouts were Mike Ford and Brad Belden.

Named captains for the year were Brad Belden, Mike Ford, and Andy Anixter.



Mike Green gives it a ride.

This years team showed good teamwork and attitude in compiling a 3-2 record. Bob Brown, Jay Lehman, Mike Butler, Dan Young, Scott Barrie, Steve Dickey, and Mark Asiano were named as the outstanding players on the team by Coach Fisher and Coach Ragan. Tackle Tom Tierney showed the greatest improvement over the season. The team placed second in the MCAL and should produce a good J.V. squad next year.

CROSS COUNTRY SQUAD SWEEPS MCAL

This year's cross country team went beyond all expectations in winning the league and MCAL meet in Varsity, J.V. and Frosh-Soph, the NCS III in Varsity and Frosh-Soph and finishing 8th in the NCS in those divisions. Led by senior Phil Russell and juniors Kevin Pusser, Jay Neuhaus, and Tim Taylor, the Varsity was undefeated in dual meet competition, as were the J.V.'s led by Mike Kast, Dick Stoltze, Steve Filante, and George Tripp, and the Frosh-Soph led by Lee Hotchkin, Joe Clark, Phil Skow, and Brian Pusser.

Coach Tobiason's prediction of a championship team this year came true and it appears that there will be many more in future years.

CEE BASKETBALL

With only three players returning from last year's championship team, the Cees posted a 3-7 record. The squad placed fourth in the league standings behind their new coach, Gary Coronado. Team captain and playmaker Jeff Sloan along with Todd Sweeney led the team scoring. They were also elected honorable mentions to the all-league team. Dave Volper was cited for his aggresive rebounding and Tom Malvino for his ball handling and defense. Both boys were named as being the most improved players through the season. Coach Coronado commented that the team would show fine potential for the future basketball program at Redwood.

The exuberant Class of '70 finally emerged as upper classmen.

They started the year on a very spirited note by winning the prize for the best decorated Spirit Hall.

At a big football game against Novato, junior Charlie Flynn was hurt and had to be hospitalized for two months. The sympathetic juniors started a "Charlie Flynn Fund" to show their concern. They held bake sales, sponsored a dance, "Jungle Fever," and lettermen collected donations from interested students. The money raised went towards a tape recorder the juniors bought for Charlie.

Another fund raising project for the class was selling The World's Finest Chocolate.

The Prom was the highlight of the year. A "New Orleans Night," was the theme. Many enthusiastic juniors attended the Prom which proved to be an excellent end to a great year.

Mr. John Neylon was the class advisor.

The year was a busy and productive one for the sophomore class. The students began making money for their class by selling chrysanthemums at the Homecoming game. On Halloween they sold popcorn balls and later in the year, they had a taffy sale.

Something new this year was a newspaper started by a group of sophomores called "Spirit of 71". The editor-in-chief was Peggy Chater. Handed out in Sophomore English classes, it contained interviews with faculty and students, opinion polls, letters to the editor, a sports column, and an advice column as regular features.

Entering Redwood this year was the class of '72 with 608 students. Ours was clearly the most spirited and enthusiastic class ever to enter this school. The cinnamon sucker sale was only one of the great money making ideas for our class. The Freshman dances were also a big help starting us off right for our future years at Redwood.

6 FOREIGN EXCHANGE STUDENTS

INTERNATIONAL EXCHANGE PROGRAM

Redwood was fortunate in having many foreign exchange students this year. We had three students from our sister school in Preetz, Germany on the School Affiliation Service. Axel Siebmann was one of them. He lived with the Ashley family of Greenbrae. Pete Ashley spent last year there. Suzanne Lau, sister of a previous exchange student here two years ago, stayed with the Dwyer family of Kentfield. Maria Buccholtz also came and stayed with the McCarthy family of Corte Madera. Here under the Youth for Understanding Program was Goran Frederikson from Sweden. He stayed with the Gray family of Kentfield. The Gray's son, Eric, who graduated last year was living with Goran's family this year. Borghild Storas of Norway was part of the American Field Service Program. She lived with the Weil family of Greenbrae. Also in the AFS was Luis de Oliverias from Brazil. He lived with the Suntzeff family of Corte Madera.

PHI LAMBDA SIGMA

This year Phi Lambda Sigma, Redwood's honorary language club was advised by Mr. Joseph Sullivan and Mr. John Perrotis.

The club deals with all languages and to become a member each applicant must have an "A-" average in their language for the preceding five quarters. His other grades must average no lower than a B. Each person who is accepted receives a certificate honoring their membership.

Dinners and activities centered around a theme involving a foreign country and its language were planned and enjoyed by all the members. Outings such as a bike ride this spring proved to be very successful.

Officers for Phi Lambda Sigma this year were: President, Nan Hantzche; Vice-President, Eileen Blum; Secretary, Nancy Bergren; and Treasurer, Leslie Lehman.

INTERNATIONAL CLUB

The International Club just finished its eighth year. Its purpose is to support the foreign exchange programs at Redwood. The purpose of the club was fulfilled by numerous fund raising projects such as their traditional International Week and International Banquet, where food from many countries was served. At the beginning of the year they had a Hospitality Banquet for the new exchange students. Ending the year's activities was the annual Forest Farms Conference. Here the students had an opportunity to become acquainted with students from foreign countries. Once again the gigantic blue box containing newspapers sat out in the back parking lot—the symbol of the International Club's newspaper drive. Serving this year as officers were Mollie Squires, President and Lynn Talbot, Vice-President.

S.M.C.C. members Sue Little, Diana Knight, Sheri Nichelini, Chrissie West, Rich Levitan, Inge Rudolph, and Judy Van Evera, put their noses to the grindstone.

INTELLECTUAL AND PHYSICAL REWARDS ACHIEVED THROUGH CLUBS

This year SMICC was opened to anyone interested in exploring the psychological aspects of the mind. Activities began with the "Carnival in the Quad". The members trained rats to run a track, and students bet on their favorite rat. Again this year SMICC members caroled at Napa State Hospital.

Other SMICC activites included taking physically handicapped children from Marindale School on a field trip, listening to speakers on the subject of hypnotism, and visiting the new Oakland Synanon.

The climax of events was a ski trip by train to Mt. Shasta. To draw the year's activities to a close, they held their Sixth Annual SMICC Dance at which they crowned "Miss SMICC of 1969".

The officers this year were Sue Little, President; Rich Levitan, Vice-President; and Chrissi West, Secretary, under the supervision of Mr. Duncan MacSwain.

As the snow started falling, Redwood skiers began to wax their skis in anticipation of their first trip. The Ski Club made its first excursion to Heavenly Valley in January. President Dave Ingalls had four other trips planned to Bear Valley and Sugar Bowl.

A ski skills test is given each trip, in addition to a written test, which must be passed in order to join the club.

Miss Myrna Reed, the head advisor, as well as other faculty members, went on the trips as chaperones.

Orpheus, a language arts magazine, was compiled again this year by enthusiastic students. It was different this year in that they not only put out the magazine but initiated "Root," and sponsored Soma Rock Jams. Orpheus became an organization to encourage student interest in many forms of art. Many money making activities were put on, but the main reason for these activites was to create interest in the language arts and to get students to know what Orpheus was about. Mr. Thatcher and Mrs. Markoff, the advisors for Orpheus, were very impressed with the student talent and glad to be a part of Orpheus.

MUSICIANS

Members of the orchestra

Under the direction of Mr. Sidney Gordon, the Redwood High Concert Band, Orchestra, and Stage Band, played to full houses for their winter and spring concerts. For the first time the performances were held in the Student Center.

The concert band made their annual trip to the elementary schools at which they performed various progams. In February several members of the band and orchestra attended the U.O.P. music clinic.

This year the orchestra and band, once again, went to Sonoma State Hospital and received a very warm welcome and appreciation from the audience. The orchestra also played for the school musicals.

The stage band, in addition to playing at two concerts, also played at a Redwood dance.

This year a new group was formed, the Redwood Chamber Orchestra. It was a student run organization which met two days a week after school. They held concerts for the school and for other organizations. The leader and conductor of the group was senior Marc North.

SPIRIT BOOSTERS

The Redwood Fans display their pride.

The 1968-69 Basketball season started out with a bounce! The Yell and Songleaders were joined by the Pep Band and together they brought Redwood to a new height of spirit at games and rallies. Students, with their tremendous enthusiasm, supported the efforts of the Yell and Songleaders by buying spirit ribbons and by making fantastic showings at all the league games. As is the tradition, the Yell and Songleaders gave team dinners and made posters for the games, which provided more enjoyment for all involved. Spirit Week bubbled over with enthusiasm. Slaves were bought, and dressed in weird costumes, were seen parading down the halls. A Junior-Senior powder puff basketball game was held for the first time and took place during the week of the Coronation.

All in all the "Redwood Rooters" supported their team from December through February, and even then some.

FROSH AND BEE CHEERLEADERS PROMOTE SPIRIT FOR THEIR TEAMS

The spring musical this year was divided into two sections. The first part consisted of a collection of songs sung by the girls' chorus, under the direction of Mr. J. D. Nichols. There were also four soloists: Layne Tucker, Lynn Phillips, Linda Smith, and Scott McClintock.

Following this was the 40-minute production of "Down in the Valley," a 20th century folk opera written by Kurt Weill. The cast included Nick Reid as Brach Weaver, Layne Tucker and Linda Smith as Jenny, Lynn Phillips as leader, Scott McClintock as Thomas Bouche, and John Metcalfe as Jenny's father. The story revolved around the love of Brach for Jenny. Brach killed a man, defending Jenny. He was sent to jail, but broke out once to see if Jenny still really loved him. Her love for him was strong, but it did not save his life.

As in the past, gymnastics was offered this year. Two meets were held this year: the county meet at Drake and the Northern California meet. Debbie Pla, Patti Brajkovich, Barbara Vallee, Celie Tucker, Linda Locati, Shelly Thunes, and Travina Butler all placed in the meet at Drake. The Northern California meet ended the gymnastic season late in March.

The bowling team enjoyed its second year of intra-school competition. There were six teams, each with three girls. They bowled at Greenbrae Lanes twice a week.

Modern Dance was another of the G.A.A.'s activities this year. They had no meets, but held symposiums with other schools, at which each school performed.

TOURNAMENT OF CHAMPIONS

Redwood	72	Castlemont	80
Redwood	80	Livermore	72
Redwood	79	El Cerrito	66

At *LEFT*, Roger Smith drives for a lay-up against Tam.

This was a year of success for basketball at Redwood High School. During the year the Giants (1) set an MCAL record for the most points by a team in a single game (108 vs. San Marin), (2) compiled the best won-lost record in the history of the league (26-5), (3) set a league record for the highest average scores (74.8 points per game) (4) won the MCAL Championship with a 13-1 league record, (5) placed two men on first team All-League and one Second Team and (6) won the consolation championship at the Tournament of Champions.

Led by All-Leaguers Jerry Piro, Jim Peters, and John Boro, Redwood finished strong, winning 20 of their last 22 games. Skip Corsini and Pete Webb rounded out the first string on a squad called by Coach Hart "the best we've ever had here at Redwood, possibly the best in the history of the league."

The Giants proved their strength at the T.O.C., winning two of three games; the one loss coming at the hands of Castlemont, the tourney's eventual winner, in a very close ball game. Piro scored 68 points in three games and was voted to the All-Tournament team.

In analyzing the team's success, Coach Hart pointed out two things, great spirit and great depth. "I've never had a team where everyone got along so well with each other," he remarked. "There were no cliques on this team." In reference to the depth of the squad, he referred to the fact that there were nine players who played frequently. In addition to the starting five, Art Carewe, Pete Carroll, Roger Smith, and Bill Challender were mentioned.

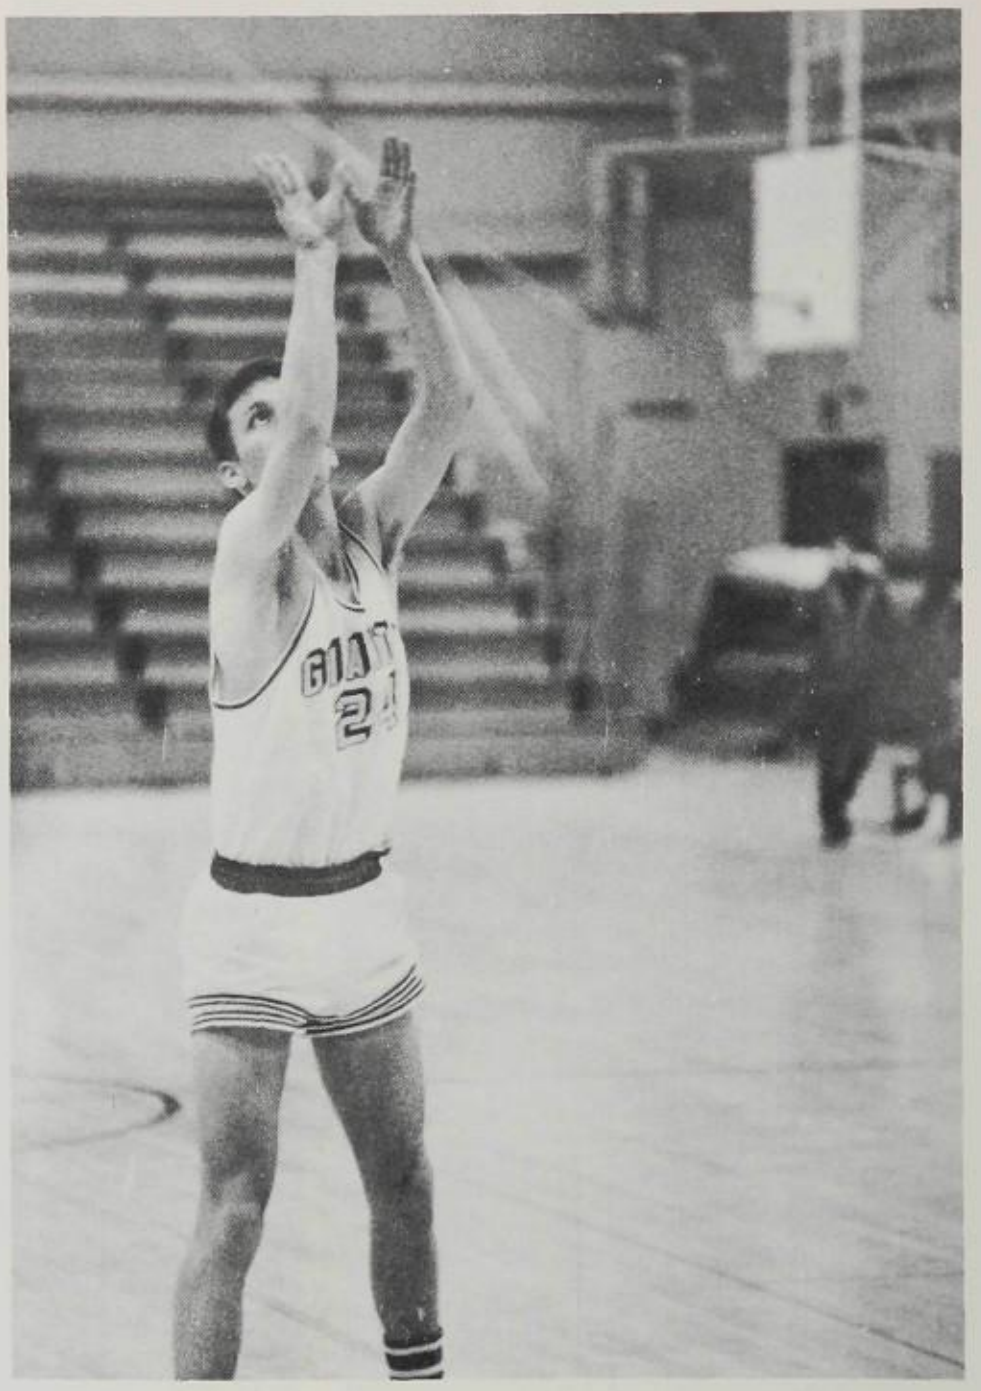
J.V.'S WIN SECOND STRAIGHT M.C.A.L.

Under the direction of Coach Duncan MacSwain, the Junior Varsity ended the season atop the league standings for the second consecutive year. The championship squad compiled a 19-4 season record and were 12-2 in M.C.A.L. competition. This year was highlighted by a 76-72 overtime victory against the previously undefeated Tomales varsity, and a 81-52 triumph over Marin Catholic. Other key wins occurred late in the season against Drake and Terra Linda. The Jay Vee's averaged an impressive 56.7 points per game to their opponents' 42.8.

Coach MacSwain felt that co-captains Jim Barkovich and Scott Trobbe would prove vital to next year's varsity. Trobbe led team rebounding and Barkovich was second in team scoring. He also felt that guards, Kent Skov and Scott Miller along with pivot men Jay Speck and George Johnson, would be positive assets to next year's varsity. Steve Root, the squad's most valuable player and the league's third leading scorer, will not be at Redwood next year and his loss will certainly be felt.



Kent Skov patiently watches his free throw.

While harassed by two San Rafael defenders, Jim Barkovich releases a lay-up.

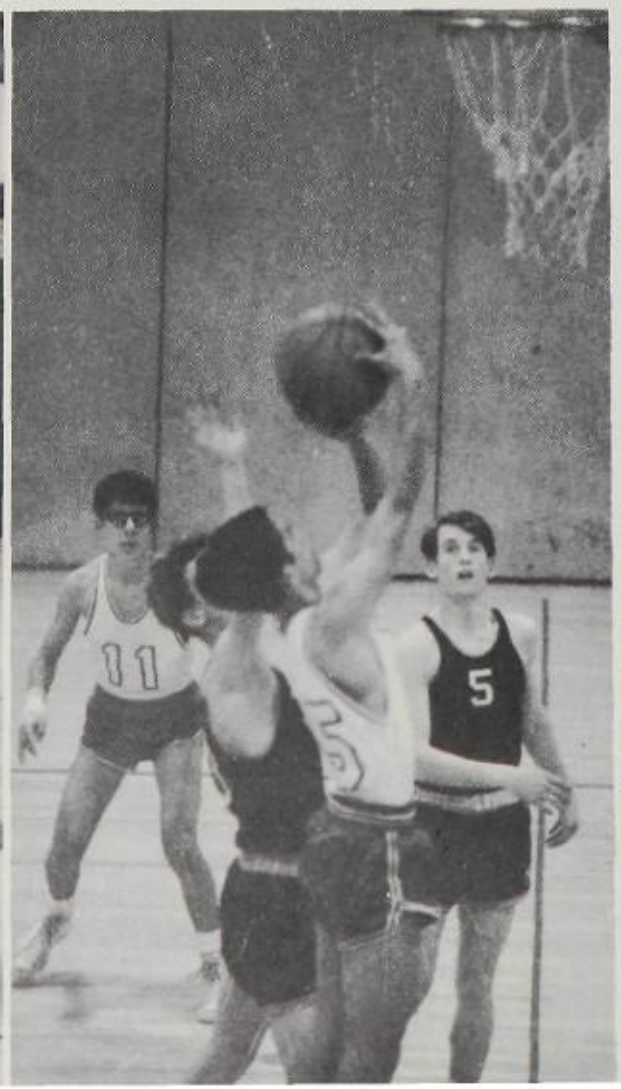
PRIDE, DESIRE, HUSTLE, BRING BEE TITLE

For the Bee's, the outlook at the start of the season was questionable. Could they follow the co-championship team of last year? The opening game against the Washington 130's was a disastrous 39-22 loss.

The turning point came in the next game when the B's defeated Salesian 42-32. This was the first of a 21 game winning streak which brought the first undisputed B championship to Redwood.

LEFT: Co-captain Bob Piper goes up to bring down a rebound as Greg Pedlar comes in for assistance. *RIGHT:* Co-captain Tom Marker puts up a jump shot as Steve Malvino watches.



The championship was truly a team effort with the all-around skills of co-captain Tom Marker, the outstanding rebounding of co-captain Bob Piper, the accuracy of Greg Pedlar, the wild drives of Terry Dorais, the pesky Steve Malvino, bustling Steve Wentworth, the fine shooting of Mike Candrian, the passing skill of Bob Zimmerman, the speed and desire of Dennis Carrade, and the cooperation and contributions of Gary Levin, Mike DeMartini, Paul Della-Santina, Kirk Radke, Mike Fitch, and Rick Hochschild.

The Bee's this year had five members on the All League Team. They were Tom Marker, Greg Pedlar on the first team; Bob Piper and Terry Dorais on the second team and Tom Malvino received an honorable mention.

Forward, number 22, Jim Thorn.

The Freshmen basketball team had a successful year, winning 14 games and losing only 5. They posted 8 victories and were defeated twice in their league. Coach Bob Sargent attributed his second place finish to excellent rebounding and good team balance. His freshmen grabbed 709 rebounds during league competition and averaged 41.33 points for the season.

Team captain and leading scorer Jim Thorn, together with Sam Farb and Bob Brown, provided the offensive attack. Top rebounder, Brett Marches, played the pivot, and agressive defensive man, Scott Barrie, was the best ball handler. Coach Sargent also commented that he had an exceptionally strong bench with Rich Slusher, Tom Guerin, Joel Johnson, and Rich Hagler.

WRESTLING

Jim Keigwin in head to head Combat

This year Redwood placed 4th in League competition with a two win, three loss record, losing many close battles. Commenting on the 1968-69 season Coach Roark stated that he had great admiration for these boys because none of them were quitters. He also said, "I was very disappointed to see such a small turnout of freshmen for the team, and I hope to see many more younger wrestlers out for the team next season." Jeff Sloan, Jeff Pederson, Lee Christopher, Zach Carter and Phil Simon were cited as outstanding wrestlers this year. Blair Bavuso held the longest winning streak, having won seven straight matches.

Redwood's MCAL dominance in waterpolo continued in 1968-69 as the "unbeatables" made shambles of all comers. The team's record now stands at 18-0 since inter-school play began in the MCAL in 1967.

SOCCER COMES TO REDWOOD

Redwood participated in an unofficial Soccer League which was created this year on an experimental basis. Despite the late start and the unusually bad weather, Redwood fielded both a Varsity and J.V. team.

Both teams have not finished all the scheduled games due to the weather. The Varsity lost to Novato 3-0, Tamalpais 1-0, and Marin Catholic 1-0. The J.V. lost to Novato 2-0 and Tamalpais 2-1. Defeated Drake 2-1, Marin Catholic 2-1, and tied Novato 1-1.

As of the present there are not official standings due to the postponement of so many games. The League will be official next year at all possibilities.

Rob Williams blocks an attempted pass by a Novato forward as Todd Sloan comes in to help.

GIANT TURTLE

Giant Turtle, a poetry production with movement, music, and films, was performed this year on February 28th and April 1st. Carol Griffin, director of the presentation, interpreted Giant Turtle as "The sun comes up some more." Giant Turtle was advised by Miss Orendorff and student directed by Randy Love and Carol Griffin, with help from Josh Collins and Suzanne DeWilde. Participating in Giant Turtle this year were: Peter Ashley, Josh Collins, Suzanne DeWilde, Carol Griffin, Sally Leete, Randy Love, Ruth Mackay, Todd Norris, Cathy Seitz, Ellen Sheeks, John Simonitch, Bill Taylor, John Whitelaw, and Carol Worth.

The cast attended parties, poetry readings, and week-end camping trips. Giant Turtle's purpose is to help spread interest in poetry throughout Redwood.

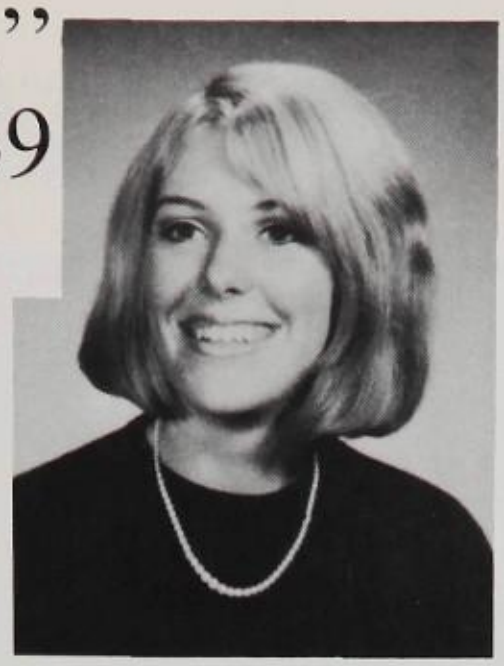
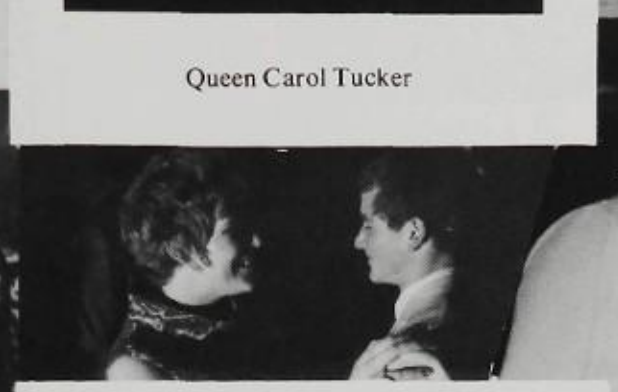
"BASKET BALL" 1969



Queen Carol Tucker

Princess Claudia Wilson



The "Basket ball" was the highlight of the 1969 Basketball Spirit Week. The couples "bounced to the beat" provided by the "Morning Glory." The Queen, Carol Tucker was crowned by "Uglyman" Chuck Shenson. Carol and her date, Pete Webb, had one dance alone as Princesses Patti Brajovich, Susi Cook, Valerie Smith and Claudia Wilson remained in attendence.
Redwood's tradition was upheld and added to with the selection of "Uglyman." The "Ball" was another happy event among many during this year's winning Basketball season.

Redwood's Student Rights Club had its origin in a protest by a group of students over the performance of a Marine Corps Band at a school rally. The club's goal was to investigate the rights students do have and how they may protect or change those rights. These students felt that this area of their education had been neglected and wanted to do something about it.

The club was instrumental in proposing an amendment to the Student Body Constitution which makes student body cards no longer a requirement for members of clubs that don't use student body funds. The club also expressed their support for the athletes who wanted to grow their hair during the "off-season".

The club had guest speakers from the Students for a Democratic Society and the Peace and Freedom Party. In the future they plan to formulate a policy for protests and propose an amendment to the Student Body Constitution.

The club was advised by Mr. John Thompson. The president was Bob Crossley, and Debbie Dowd, Dore Schawb and Mary Wertheimer comprised the guidance committee.

A new club, Third World-BSU was formed at Redwood. While small in number, it was a strong organization because its membership was united in its desire to improve conditions at Redwood. The group communicated with BSU and Third World student clubs in Marin.

The club listened to Mr. Horace White of the Marin County Human Rights Commission and Mr. Lanny Berry of "Project Breakthrough-S.T.E.P." These speakers enabled the members to become more aware of exsisting programs for minority groups.

The officers were President, Rita Townsel; Vice-President, Melanie Hahn; and Secretary, Barbara Brooks. The advisor was Mr. John Thompson.

Mr. Guthrie

Mrs. Roberts

A TRIBUTE TO THREE FACULTY MEMBERS

Mr. Ira Guthrie has been a science teacher at Redwood since 1964. Previous to this he had taught in Benicia and Tuolome. Before entering the teaching profession in 1954, Mr. Guthrie experimented in farm management, radar repair, bank appraising, construction, and owning a packing company.

Having received his bachelor of science degree in 1932 at the University of California at Davis, he has since done graduate work at the University of Utah, Sacramento State, University of California, San Jose State, San Fransico State, Fresno State, and Dominican College.

In a letter to the Tamalpais School Board he wrote: "I have enjoyed my tenure here and I do wish to acknowledge my appreciation of the high degree cooperation given me by the staff of Redwood High School and of the district staff of the Tamalpais High School District."

Miss Patricia Pendergast, a history teacher and yearbook advisor at Redwood since 1959, had prior experience teaching at Hood River, Oregon and Manhattan Beach, California. The following is taken from her letter addressed to the school board: "On February 15 I shall become the bride of Mr. Edwin Blossom, and I feel that his residence and employment in Massachusetts require my presence there...I particularly wish to express my appreciation to Mr. Don Kreps, principal of Redwood High School, under whom it has been my privilege to serve for the past ten years. His support and the demonstration of his confidence in the professional ability of the members of his staff have played a large role in the new and innovative curriculum which has been adopted in the interests of better education.

It is with much sadness that at this moment of separation I see the possibility of such developments as the dissolution of this district of larger class sizes, of a developing rigidity of communication between the board and the staff. I believe that the district in which I have been proud to serve has achieved a position of educational eminence and leadership in community and country, and I can only hope that nothing may transpire or be changed that would jeopardize this respected position."

Mrs. Jean Roberts was a nurse at Tam High School, coming to Redwood when it opened. Here are excerpts from her letter to the school board:"It was a strange feeling when the Metropolitan Life Insurance Company decided to close its nursing service...It was then I decided to investigate school nursing and while I was taking my first course, I learned of the vacancy at Tamalpais High School. I enjoyed my five years there.

When Redwood opened I asked to be transferred, as I had never had the experience of working in a new situation where programs and traditions were being built. I could not have found a better field in which to round out my professional career.

My thanks to you and to all of the other members of the staff with whom I have worked during a very pleasant sixteen years."

We of the Log staff would like to thank these three faculty members for the wonderful job they have done for the students of Redwood High School. We hope that each has a wonderful life ahead and we will never forget the hard work they have put forth for us.

REDWOOD REPRESENTS PORTUGAL IN THIS YEARS' MODEL U.N.

Lee Fishel

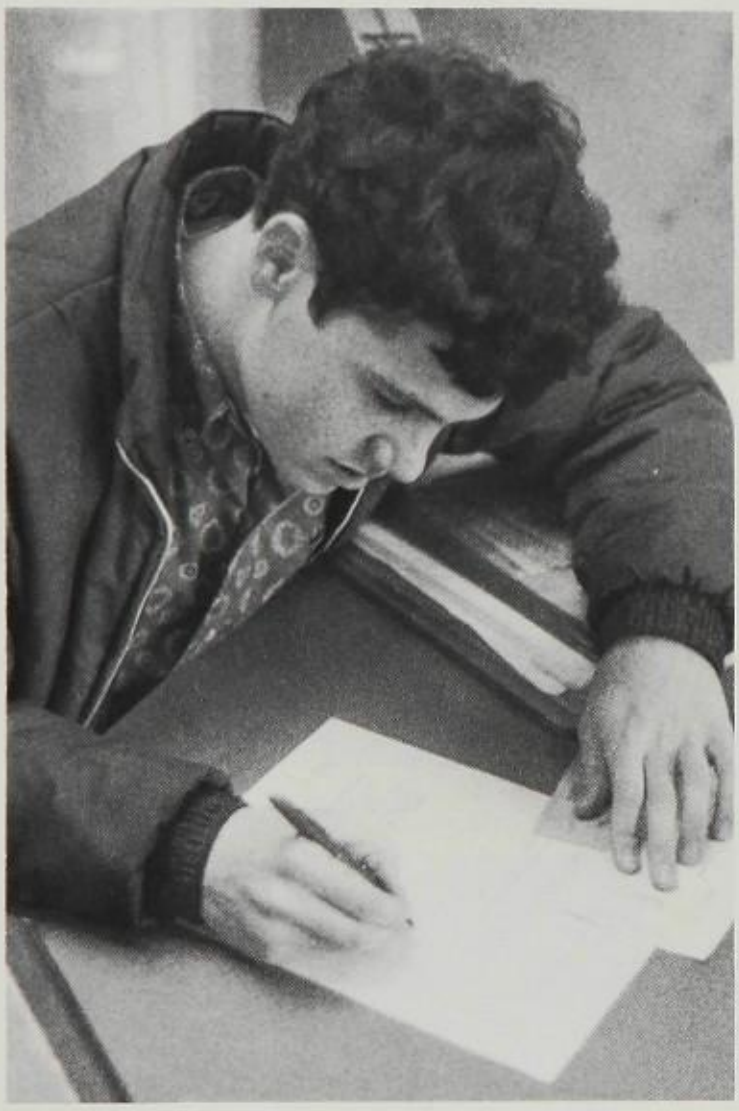
Model U.N.

Once again Redwood was represented at the annual Model United Nations Conference at the University of California at Berkeley. The conference was held in early February. There were over 100 schools represented and over 1,000 students participated. This year Redwood High School's U.N. nation was Portugal.

Throughout the year the delegates chosen to represent the school worked hard to learn the policies of the country as well as its stands on major issues that have arisen in the last year. Each country has five committies. Each committee sends one or two resolutions which might be chosen for use in the conference. Any money that is needed for support of the Model U.N. is provided by the school.

The chairman was Lee Fishel and the advisor was Mrs. Neubauer.

Nan Hantzche and Jim Barkovich enroll students in C.S.F.



David Micon fills in his application.

CALIFORNIA SCHOLARSHIP FEDERATION

C.S.F.

The requirements for membership in C.S.F. are that a student with four or five subjects must earn ten points or more, seven of which must be in academic subjects. A student with six subjects must earn a minimum of twelve points, seven of which must be in academic subjects. Three points are given for an A, one for a B, and any grade lower than a C disqualifies a student.

Semester membership is by application only and is not compulsory, nor is it automatic. Life membership is obtained by earning membership four times in the last six semesters of school, one of which must be in the Senior year.

Awards given to life members are gold cords, lamp pins and certificates. These are given at a banquet given by the Sequoians in the spring. A gold C.S.F. seal is placed upon the life members' diplomas as well as upon their transcripts.

Miss Jane Adams was the faculty advisor this year for Redwood's California Scholarship Federation. Miss Adams is also the Northern Region Vice-President of the C.S.F.'s State Board by which Redwood's C.S.F. is governed.

The C.S.F. officers this year were Deborah Glassman, President; Michael Kast, Vice-President; Terrel Wagstaff, Secretary; Sheila Mackey, Treasurer; Nanette Hantzche, Scholarship Chairman; and Jim Barkovich, Assistant Scholarship Chairman.

Girls' State, sponsored by the American Legion, offered an opportunity for high school girls to learn about government. It was held at University of California at Davis.

Each girl becomes a citizen of Girls' State, and a citizen of a city, a county, and a political party. Elections for offices are held, and the climax was an Inauguration at the end of the week.

Many of the activities were to participate in active government, but there were also talent shows, an all-faith service, and a candle lighting ceremony.

Any girl may apply to Girls' State. Girls are chosen on the basis of their academic standings, and on their participation in school and community activities.

Miss Marilyn Root was the advisor of Girls' State at Redwood.

HONOR SOCIETY

Nancy Bergren and Mr. Kurtz take applications for Honor Society.

To become a member of the Redwood Honor Society requires more than a B- average and at least ten hours of participation in such school activities as after school sports, clubs, or one of Redwood's many organizations. Last Fall's enrollment was over two hundred students. To qualify for life membership, a student must be a member in six out of the seven semesters, and of these six one must be in the Senior year.

A large banquet is held each Spring for life members of both C.S.F. and Honor Society. This banquet, given by the Sequoians, is traditionally held the last Monday of the school year.

Mr. Charles Kurtz was again the advisor for Honor Society. This year's officers were Skip Corsini, President; Phil Simon, Vice President; Nancy Bergren, Recording Secretary; and Cathy Connor, Corresponding Secretary. Some of the officer's duties included aiding students in applying, okaying their applications, and filling out membership cetificates for those who were accepted.

Nick Suntzeff applies for Honor Society.

Mrs. Marguerite Bunting, a supervision aid.

One often wonders just how the weeds get pulled, the lawns mowed, and where our litter goes. No, the elves don't come out of the woodwork at midnight. We have a maintenance staff of fourteen who "magically" clean up for us. Mr. Meritt E. Robinson is in charge of the "clean-up detail." The members of his "band" are Mrs. Adrian Hensley, matron, Mr. Arlindo T. Baptista, Mr. Manuel F. De Silva, Mr. John W. Justice, Mr. Milton F. Mancebo, and Mr. Richard C. Pierce. Other members of the staff are Mr. Manuel F. Rosa, Mr. Philip J. Soldavini, Mr. Viggo Speedtsberg, and Mr. Nat Zarucchi. Mr. Howard Terris makes sure the "boogey man" doesn't get in at night, and Mr. Frank J. Fontes prunes the shrubs.

We also have three supervision aides, Mr. Jay Rossi, Mrs. Marguerite Bunting, and Mr. Peter Thompson.

3:05 in the Student Center.

Mr. Frank Fontes "digs" his work.

GIANTS HURL TO SUCCESSFUL SEASON

The 1969 edition of the Giants featured the youth movement. Gone was shortstop Ken Johnson, player of the year and number 2 draft choice of the New York Yankees. Ken Roby moved to that position to fill the gap left by Johnson. Big Jim Peters was behind the plate in a move to give the pitching staff more help. Big bats in the Giant line-up were Jim Peters, Pete Carroll, Don Mantooth, Ken Roby and Rob Dorinson.

Although young, the Varsity Giants tried to improve on last year's 18-7 won - lost record and a third place finish in league play. Pitching played an important part in the race for the M.C.A.L. title. Roger Smith, undefeated as a sophomore, was the number 1 man backed up by Don Mantooth, Larry Hoffman, Tom Wichert and Bill Arthrip.

Others who did their part were Jerry Piro, John Boro, Don Meyer, Pete Cooney, Henry Diaz, Kevin Ward, Eric Rasmussen and Joe Caito.

Ken Roby throws the ball to second to set up a double play.

JUNIOR VARSITY BASEBALL

The Junior Varsity was again this year coached by Gary Coronado. Last year, Coach Coronado guided his team to a 19-4 season and finished second in league standings.

The squad was spearheaded by five returning J.V.'s and Juniors Vance Argento, Tim Maltzahn, and Frank Pamilia. The bulk of the team, however, consists of last year's Freshman players. The Junior Varsity was backed by a good defensive front and powerful hitting by LaTorre, Buettner, Moresco and Trobbe. Mr. Coronado commented, prior to the season, that Terra Linda and Navato would provide the stiffest competition in the M.C.A.L.

FRONT ROW- Jim Keigwin, Kirk Radke, Mike Fitch, Roger Graham, Greg LeDoux, Tim Maltzahn, Andy Anixter, Blair Jarcik, Bill Brown, *BACK ROW*- Coach Coronado, Jeff Nadd, Paul Galli, Brook Buettner, Gary Schunk, Vance Argento, Frank Pamilia, Scott Trobbe. Missing: John Moresco, Jim LaTorre.

FRESHMAN BASEBALL

Coach Wes Price looked forward to a successful season this year. The Freshmen came in third place last year. Hurling this year for the team was Mike Butler, Kevin Brown, and Bob Brown, Grant Wagner and Joel Johnson. Scott Barrie, Sam Farb, and Kerry Kness played the infield. The outfield consisted of Bob Stubbs, Jim Thorn and Ray Judah. Because of an enthusiastic turnout of thirty boys, the Freshmen Baseball team were strong contenders for their league title.

FRONT ROW--Bob Lindsey, Ray Judah, Bill Penney, Rick Norton, Scott Berrie, Kerry Kness, Sam Farb. *BACK ROW*--Coach Price, Grant Waggoner, Mike Butler, Bob Brown, Kevin Brown, Jim Thorn, Rich Slusher, Joel Johnson, Kevin Brown, Bob Stubbs.

A strong Redwood track team was eagerly awaiting the start of the league season as the yearbook went to press. Under the supervision of Coach Gary Shaw, the team appeared headed for its third straight MCAL title with the only serious competition coming, as usual, from Tam.

This year's squad appeared to be strongest in the field events where Brian Hicks and Mike Wurtz in the pole vault, Judd Pillar in the discus, Dave Lake in the high jump, and Bob Bartel and Gary Kasprzak in the shot put were early season standouts. Outstanding runners were Todd Norris in the 440 and 880, Tom Estudillo in the 440, Chris Sigur and Tom Poppin in the sprints, and Phil Russell, Kevin Pusser, Lee Hotchkin, Tim Taylor, and Jay Neuhaus in the distance events.

Members of the relay team race for the finish line.

NETTERS LOOK FORWARD TO SECOND CONSECUTIVE TITLE

In 1968, Coach Glen Dickey guided his team to the league title, winning eleven of twelve outings. This year Mr. Dickey said that this was his strongest team he has ever coached and probably the best in Redwood's history.

The team was comprised of five juniors, five sophomores, three seniors, and two freshmen. Bob Knight, Andy Walker, Steve McDonald, Brice Basset, and Tad Isaacs were the top five and among the eight returning varsity netters. Because of the considerably large number of fine underclassmen on the team, the Giants were the team to beat in 1969 and will be for the years to come.

FRONT ROW—Bruce Patton, Tad Isaacs, Mike DeMartini, Bob Knight, Steve McDonald, Jay Stolkes, Gary Walter. *BACK ROW*—Ballard Bayer, Mike Murata, Bruce Tucker, Phil Hoehn, Steve McCormick, Jeff Allen, Rich Leininger, Andy Walker, Brice Basset, Coach Dickey.

RETURNING LETTERMEN SPEARHEAD GOLF HOPES

Returning Lettermen

The Golf team finished fourth in 1968, after winning the championship for four consecutive years. The 1969 team was coached again by Coach Dick Hart. The Varsity competed in 20 matches and the year was highlighted by a trip to Pebble Beach. Returning from last year's team were lettermen Wayne Duerson, Art Carewe, George Carewe, Stocky Spooner, Steve Hartman and Bruce McCarthy. The top golfers were Senior Wayne Duerson and Junior George Carewe.

The Giants got off to a flying start by defeating Novato by 10 strokes on their first outing.

Coach Hart commented prior to the season: "We have an excellent chance to win the championship if we can win our tough league matches at the beginning of the season."

Bruce McCarthy, Stocky Spooner, Art Carewe, Wayne Duerson.

BACK ROW--Coach Hart, Art Carewe, Bob Zimmerman, George Carewe, Tom Marker, Stocky Spooner, Brad Herrick, Wayne Duerson, Greg Bunting, Arnold Brooks, Ken Edgeman, Pat Hyde. *FRONT ROW*: -- Bruce McCarthy, Steve Hartman, Mike Maher, Scott Huber.

REDWOOD LOOKS FOR AQUATIC SWEEP

Getting a good start Redwood Senior Greg Meyers goes on to win the 50 yard freestyle.

The 1969 Redwood Swim Team fielded what Coach Purcell considers one of the best teams in Redwood's eleven year history. After going undefeated in both Varsity and Bee divisions through the practice season, the Giant mermen forcast what could be the first aquatic grand slam by sweeping championships in all M.C.A. L. watersports, waterpolo, Bee and Varsity Swimming.

At the time the yearbook went to press record performances had been turned in by Ken James, Mike Roark and Brian Hennessy in individual events. When these men joined in relays by other Redwood standouts such as Greg Meyers, Ted Danse, John Malvino and Norm DeMont look hopefully toward All-American recognition.

Outstanding Bee swimmers are Charlie Rosso, Paul Cane, Scott Sinnott, Peter Phelps and Erik Humber.

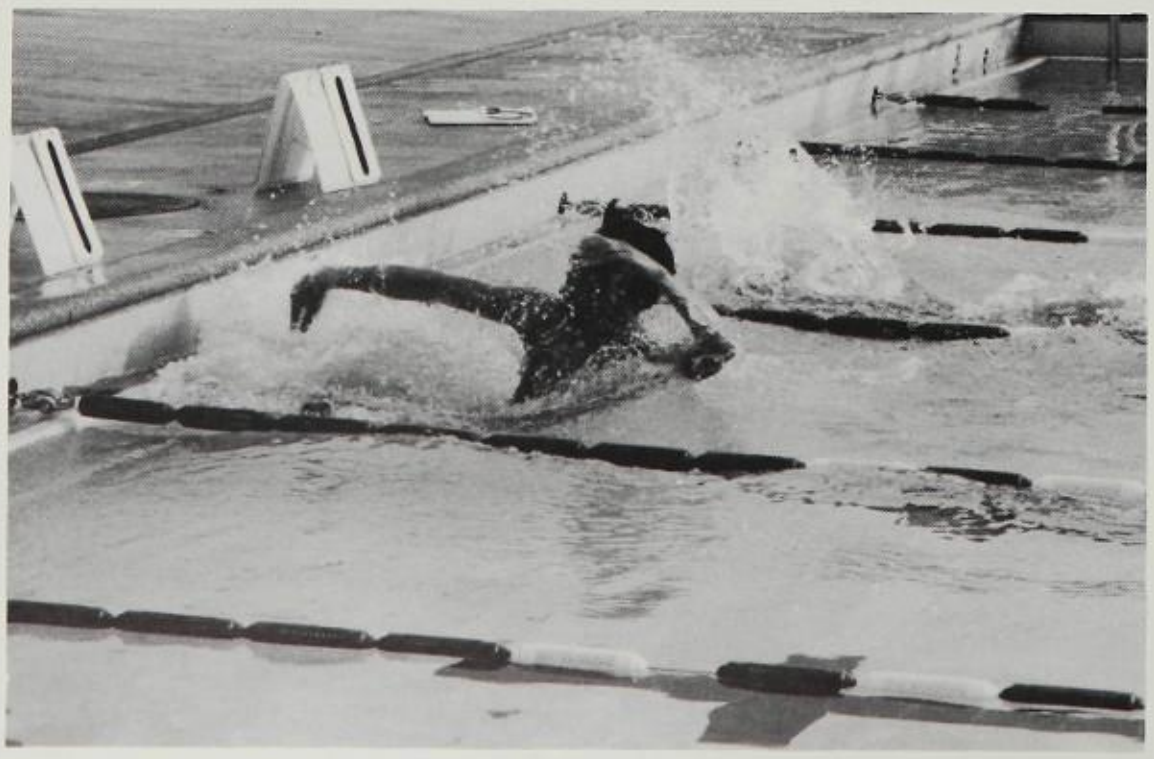
Varsity diver Kirk Gray scores highly as Redwood went on to defeat Berkley in their first meet of the year.

Varsity *TOP ROW:* Mike Roark, John Malvino, John Werner, Kirk Gray, Chuck Cohein, Ken Levin, Don Wallace, Tedd Gibson, Ted Danse, Brian Hennessey *BOTTON ROW:* Norm DeMont, Greg Meyers, Ken James, Hugh Carter.

Norm DeMont leaves Berkley opponent far behind in second leg of the Medley Relay.

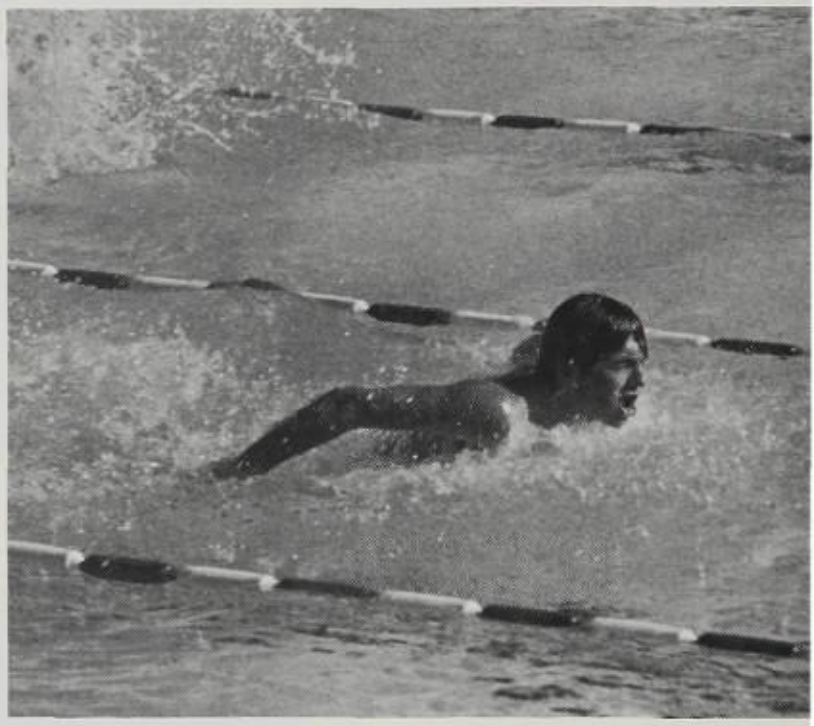
Coach Purcell

Getting off the wall quickly John Malvino picks up precious time.



Junior diver Don Wallace shows championship form.

RIGHT: Senior Transfer Mike Roark goes on to a school record in the 100 yard butterfly.



TOP ROW: BEES Dave Schindler, Mike Pruett, Steve Blake, Doug James Steve Grinnell, Paul Cane, Jim Kopp, Pete Phelps, Charlie Rosso, Dave Levy, Erik Humber *BOTTOM ROW:* Scott Sinnott, Dave Ring, Steve Stevensen, Mark Twede, Mike Gehlen, Watt Kopp, Scott Northwood, Ken MacDonald, John Geopp, John Sturdivant.

An engagement Ring for Graduation?

If the answer is YES let us help you

we're members of the American Gem Society your assurance that in our wide selection you will discover gem diamonds scientifically priced to suit your taste and budget. For example, for four hundred dollars you can purchase a flawless 1/3 carat diamond. But if you want the largest stone your money will buy (and most people do) we have diamonds up to and including one full carat for your same four hundred dollars. Unbelievable? No, it just depends on the type of stone you want. Come in and let us help you find it.

Membership in the American Gem Society signifies selected jewelers with professional gemological training combined with high ethical standards. It is your protection when purchasing fine jewelry and precious gems.
